Minor League Program: How it works

The Minor League Program is generally for 9 and 10 year old players. Players who are not selected for the Major Leagues this season will be assigned to a Minor team. Players who are 8 years old and wish to play at this level may request to do so. Approval will be based on mutual consent of the player's parent and the League President. This division uses a standard baseball with players pitching. Players are assigned to teams with consideration given to balance of ages, special request by the players and school district. Siblings will be assigned to the same teams. There will be a 14 game schedule played preceded by two weeks of practices beginning early April. The season ends at the end of the school year. Two games a week are played, starting at 5:45 pm on weekdays(5:15pm at Ross with 6:55pm curfew) and on Saturday at 9:30am, 11:30am or 1:30pm. Butler Fields, Gideon Welles, Rotary, Welles Village, Nayaug and Ross Field will be used.

Important Minor League Playing Rules

In an effort to provide safe play and equal baseball experience to all Minor League players, the following apply. Players, parents and coaches are urged to take note of the playing rules.

- 2. All players are placed in the batting order regardless of whether they are playing a defensive position***
- 3. The batting order will be set for the season. Players will move up one batting order position with every game with the lead off batter batting last in the next game. This progression continues even when a player may be absent for a game.***
- 4. No player shall sit on the bench for consecutive innings.***
- 5. Every player shall play at least one defensive inning(3 outs) at an infield position. The Pitcher and Catcher positions shall be considered infield positions.***
- 6. A pitcher is limited to 10 batters/game or 2 innings/game and 4 innings/ week with 3 calendar days rest/game. One pitch in an inning constitutes one inning***
