Girls Majors League Program: How it works

The Girls Majors Softball League is designed for 11-12 year old players. 10 year old players who have played at least 1 year of minors softball may try out for majors. Assignment to teams is based on player assessments and a selection process... The number of teams and total number of positions available is dependant on the registration level.

Playing Fields

There will be a 14 game schedule played, preceded by two weeks of practices beginning in late March. The season ends at the end of the school year with a town tournament. Two games a week are played, GHS, Addison #2 and Academy fields will be used. Each team will play a couple games against District 7 Little League teams, i.e. Wethersfield, Newington, Rocky Hill.....

Important Girls Majors League Playing Rules
