Junior League Program: How it works
The Junior League is designed for 13 & 14 year old players. This League serves as a transition program to bridge the gap between the Major League and the Senior League. Players are exposed to a full size diamond for the first time and more of baseball's challenges. The pitching mound is at regulation distance thus affording batters more reaction time. Assignment to teams is based on tryouts and a draft.

Playing Fields and Times
A 14 game schedule is planned for the season. Games will be played on weekdays at the Smith Middle School Field and Riverfront Park starting promptly at 5:30p.m. Weekend games are also played at these fields. There will be a week of playoff games following the end of the regular season on or about June 14.
