

Paul Dube Memorial Event

Friday September 11th 6:30-8:30pm
at the International Skating Center of Connecticut

ABOUT PAUL

Paul Dube, age 33 was running a local road race in May of 2009 and collapsed ...he passed away on June 26, 2009. A young man who left us much too soon.

Paul left three beautiful young children and a wife that the community would like to support in a

educational scholarship fund. This Memorial Skating Event would be something Paul would truly enjoy if he were still here with us. Paul **treasured** his family, being with friends, and hockey. So, bring the family, spend some time on the ice and watch a dynamite game --ALL FOR A GREAT CAUSE --

Don't forget to bring your appetite - low cost barbecue will be available as well as a family skate for two hours, SILENT AUCTION, and of course, the game - a night to remember Paul Dube -- a night not to miss - SEE YOU THERE!

Events
