COVID-19 Health Check for Campers & Staff

Camper/Staff Name: ___________________________ Week _________________________

• The health and safety of our campers and staff is always our first concern. We are closely following official COVID-19 recommendations provided by the State of Massachusetts.
• To help create a safer environment, it is our expectation that you will arrive for your camp day without any of the symptoms associated with COVID-19 and that you will not have been in close contact with anyone who has those symptoms.
• We are providing you with a series of questions that health agencies have said that we should all be asking ourselves every day in order to promote public safety during this pandemic. Please use these questions to self-screen at home prior to arriving at camp.
• Although the questions below are related to COVID-19, as always, if you are not feeling well you should stay home and call camp to report the absence.
• If you answer yes to any of the following questions, then we are sorry, but you will not be allowed at camp.
• Individuals who decline to complete the pre-screening questionnaire will not be permitted at camp.

Questions:
Today or in the past 24 hours, have you or any household members had any of the following symptoms?
• Fever (temperature of 100.0°F or above), felt feverish, or had chills?
• Cough?
• Sore throat?
• Difficulty breathing?
• Gastrointestinal symptoms (diarrhea, nausea, vomiting)?
• Fatigue?
• Headache?
• New loss of smell/taste?
• New muscle aches?
• Any other signs of illness?

In the past 14 days, have you had close contact with a person known to be infected with the novel coronavirus (COVID-19)?
