

BRIGHTON SOCCER LEAGUE

Soccer Season vs Covid-19 coronavirus

Hello Brighton Soccer League families and new members,

First, we'd like to send out our thoughts to everyone and apologize for our late reply by posting on our website about the Covid-19 coronavirus. As we continue to pay close attention to the news surrounding the COVID-19 coronavirus, we are keeping the health and well-being of you and our family at the top of our minds.

Our Soccer League Board is and has been working with the other Leagues, including New York State West Youth Soccer to make sure we are all in sync with what is decided.

As it stands now, the registrations will continue forward. This will allow us to know how many teams can be fielded and a decision on the season will be made in a reasonable amount of time.

Should the season be cancelled or shortened, refunds will be made (100% for the full season and a lesser amount depending on how long a shortened season is).

Please know that the Soccer League Board will update any new information, as soon as we can make a decision that is for the safety of your children, family and the community. Any and All information will be posted on our Website's Front Page.

If you have any questions or concerns please reach out to us at:

brightonsoccer@rochester.rr.com

Stay safe and healthy!

Best regards,

The Brighton Soccer League Board
