

## Putnam Hockey Code of Conduct

Dear Players, Parents and Spectators,

In addition to the USA Hockey Code of Conduct and Zero Tolerance Policy, Putnam Hockey Association wants every player, parent, and spectator to be aware of the following disciplinary rules and regulations set by the Connecticut Hockey Conference. PHA will adhere to these rules strictly and expect all of our members to respect and follow them.

### **Cursing:**

Cursing by a player will result in immediate ejection from the game. Cursing by coaches, spectators and parents is also cause for ejection (of that person) from the game/arena and can result in future game suspensions. There are at least 2 players in CHC that are NOT playing this season due to their parents' behavior.

If violations of the Zero Tolerance and/or the Code of Conduct are brought to the attention of PHA's Board, the Disciplinary Committee will require a meeting with the parties involved and may impose consequences different, or, in addition to those specified by CHC.

### **Player Penalties:**

3 Major penalties in a season will result in an automatic 4 game suspension. If a Putnam Hockey Player gets 3 majors in a season, they will have a meeting with PHA's Disciplinary Committee. The PHA Disciplinary Committee has the authority to suspend players for additional games. If a player receives a 4<sup>th</sup> Major penalty in the same season, they will serve a mandatory (additional) 6 game suspension. A 5<sup>th</sup> Major penalty requires a hearing in front of the CHC disciplinary board.

### **Coach Penalties:**

3 Major penalties by a team in one game require a 1 game suspension for the coach. 4 Major penalties by a team in one game require a 3 game suspension. The Disciplinary Committee will meet with a coach receiving a 3 game suspension.

Additionally, please make yourselves familiar with the Zero Tolerance and Locker Room Policies (available on our website under documents). We are all responsible to maintain a positive, learning atmosphere for our young athletes. RESPECT THE GAME.

I have read the foregoing and understand it. I agree to adhere to Zero Tolerance, Locker Room Policies and Putnam Hockey's Code of Conduct.
