## Summer Camp

We welcome the opportunity to share some time and work with your son this summer. We want to provide a quality camp full of instruction and fun, all in a positive setting.

The camp will focus on the importance of fundamentals and proper technique of all skills. Camp will focus on shooting, dribbling and passing. Mastering these skills is necessary to be a complete player on offense. Get better handles! Be a money shooter! Pass like a pro! The staff will also emphasize the intangible aspects of the game, things like attitude, discipline, work ethic, and sportsmanship. Players will learn to work hard while having fun.

While fundamentals will be emphasized, we will also have shooting competitions, contests, 3 on 3, tournaments, and games. All players will be able to apply the fundamental skills they learn during camp to these competitive situations.
