**President's Report**

None

**Vice President's Report**

Jeff Singer reported for Jim. All class reps are in place.

**Head Coach's Report**

Mandatory parent/player meeting is set for Thursday, 11/17. Please encourage parents to sign up for committees. Nelson suggested we make very clear what the booster club is and does, and where the money goes since in the future we will most likely be pay to play and not have funding from the school. Emphasis needs to be put on the fact that 100% of the money goes for the players. Nelson and John V. suggested if you don't belong to booster club then the senior player does not get a scholarship. Another option would be join a committee or pay dues. Mary T. will contact other booster clubs to see what they do.

Mark will talk with the class reps to fill them in on the community service project at The Ronald McDonald House.

Mark needs the design for the new uniforms sent to the AD for approval and again Fanizzi will cover the cost. Everyone has purchased the new black uniform and they will be work for the night game against Watchung Hills.

Fanizzi offered two areas for the wall. He is also looking into the end nets and will report back to Mark.

There are some coaching changes for the upcoming season: Coach Rodgers will move to JV, Coach Comunale will be the varsity assistant coach and there will be a new freshman assistant coach.

The fall tournaments went well, Boro Pride went 5-3.

Mark will speak to players at the beginning of the season regarding drug and alcohol policies.

## **Treasurer's Report**

None

## **Secretary's Report**

Minutes posted from last meeting on website.

## **Shake-a-can**

The pretzel factory was added for the seniors. Juniors will can shake on 11/20 not 11/19. Sophomore's email with info will be sent soon. Freshmen are all set. Thank you to all the parent volunteers.

## **Fund Raising**

Jamie Biancamano suggested a fund raiser built around a wine tasting. Bottle King may be able to sell us the wine at cost, people donated food or have local restaurants set up tables for food. The firehouse or Roycebrook was suggested as locations to hold event. A portion of the proceeds can be donated to The Ronald McDonald House as part of the community service project. Target dates are 2/11, 2/25, 3/3, 3/10. Everyone was in agreement to proceed. Jeff will check into hall availability.

## **Summer Tournament**

Mark spoke with the AD and we cannot host a high school tournament but can host a youth tournament. Mark suggested we do a county youth tournament right at the end of youth season.

## **Golf Outing**

Dan will work on getting a date.

## **Wings Game**

General consensus is to do the Big City Classic on April 1, 2012

## **Raffle**

Karen Kellerman's background check is complete and she is cleared. We need to apply for raffle permit in January to the town. We need to get prizes now and Karen will meet with Stephanie to go over the timeline of events.

## **Sponsorship for Media Guide**

Steve Mooney and John VonNessen will meet.

### **Game Day**

Nelson Thomson is looking for game day announcers and photographers. Also we need someone to put together the end of the season video for the banquet. Mark will email for volunteers.

Next meeting is Tuesday, December 13 at 7pm.

Respectfully Submitted,

*Danielle Zellers*
