## 1. Introduction

Niceville-Valparaiso Little League Baseball, Inc. NVLL is a program of service to youth. It is geared to provide an outlet of healthful activity and training under good leadership in the atmosphere of wholesome community participation.

NVLL is chartered by Little League Baseball (LLB), Incorporated under whose auspices NVLL has derived its operating procedures and regulations. The structure of NVLL is detailed in the Niceville-Valparaiso Little League Baseball Constitution. The purpose of these “Local Rules” is to augment those procedures and regulations contained in the Little League Baseball and Softball Operating Manual, Little League Baseball Official Regulations and Playing Rules and Little League Softball Official Regulations and Playing Rules. Copies of these publications are available directly from LLB, Inc.

The Board of Directors shall NOT allow proxy votes at any duly constituted meeting.

## 5.6. Minor League Playing Rules

### 5.6.1. Machine-Pitch

- 5.6.1.1. Placement of the Machine:
  - 5.6.1.1.1. Games will be played with a pitching machine placed at 35 feet from the plate.
  - 5.6.1.1.2. A four-foot radius circle (Safety Circle) will be drawn around the center of the pitching mound. This is to mark off a safety area around the pitching mound and machine, which fielders may not enter.
- 5.6.1.2. Rulings Involving the Machine and Safety Circle:
  - 5.6.1.2.1. Batted ball hits the pitching machine, associated equipment (power box, cord, etc.), or the coach feeding the machine. RULING: Batter is awarded 1st base. Runners advance if forced.
  - 5.6.1.2.2. Ball popped up, lands in the safety circle, and comes to rest without touching anything. RULING: No pitch
  - 5.6.1.2.3. Ball is popped up between home and safety circle untouched as it hits the ground and rolls into the circle. RULING: Batter will be awarded 1st base.
  - 5.6.1.2.4. Ball is popped up and lands in the safety circle, does not touch anything, and then rolls out of the circle. RULING: Ball is live.
  - 5.6.1.2.5. Batted ball rolls or passes directly through safety circle without touching anything. RULING: Ball is live.
- 5.6.1.3. The “player pitcher” on the team in the field does not pitch; she is a fielder only. She must begin each pitch at a distance from the plate even with the pitching machine with one foot touching the safety circle and the other foot outside of the circle. For safety reasons, she cannot leave this position, even on an attempted bunt, until the ball exits the pitching machine.

- 5.6.1.4. For safety reasons, no fielder shall be closer than 30 feet away from the batters' box until the ball crosses the plate. A solid or dashed 30' arc will be striped for reference. Unintentional violation by a fielder will be ruled a no pitch to the batter. At the Umpire's discretion up to three bases will be awarded to the batter/runner(s) for intentional violations of a fielder.
- 5.6.1.5. If any player crosses the safety circle during play or deflects or throws a live ball into the circle, the umpire will halt play and award the runner(s) the next base to which the base runner was headed. Entering the safety circle includes stepping into, falling into, and/or placing any part of the player inside the circle. Additional bases may be awarded, per the umpire's judgment, for extra-base hits or intentional safety circle violations.
- 5.6.1.6. Adjustment of the Machine:
  - 5.6.1.6.1. The machine will be set at 33 MPH (typically 36% with the variable speed switch).
  - 5.6.1.6.2. The machine may be adjusted for accuracy at the beginning of a team's at-bat a half inning before the 1st batter.
  - 5.6.1.6.3. The machine may be adjusted for accuracy during the game at the umpires' discretion.
- 5.6.1.7. Adult Placement:
  - 5.6.1.7.1. When a team is batting, two adult base coaches are permitted. One adult will be in the dugout at all times to maintain order. The base coaches must stay in the coaches' boxes at all times during play.
  - 5.6.1.7.2. An adult will pitch to the offensive team's batters by feeding balls into the pitching machine from within the safety circle. This adult shall be one of the following:
    - 5.6.1.7.2.1. An umpire;
    - 5.6.1.7.2.2. A coach/manager from the defensive team;
    - 5.6.1.7.2.3. A coach/manager from the offensive team.
  - 5.6.1.7.3. The adult feeding the machine must remain within the safety circle at all times during play.
  - 5.6.1.7.4. The adult feeding the machine will not coach in any manner during this half of the inning.
  - 5.6.1.7.5. If, in the umpire's judgment, any action by the adult pitcher interferes with a play in progress, the umpire will declare a "dead ball" and will take such action, as the umpire deems appropriate to the situation.
  - 5.6.1.7.6. Adult feeding machine will place ball into the machine immediately after presenting it to the batter.
- 5.6.1.8. Teams will play with 10 players on the field. If a team cannot field ten players, they may play with nine players.
- 5.6.1.9. The defensive team will have four outfielders all playing at outfield depth. No "short fielder" or extra fielder will be allowed.

- 5.6.1.10. The batting team will be retired when they have accumulated three outs or five runs, whichever comes first.
- 5.6.1.11. Each batter will receive four pitches or three strikes to get a hit.
  - 5.6.1.11.1. There will be no called balls or walks. If it is obvious, to the umpire, that a ball cannot be hit, the umpire will call “no pitch” and award the batter an additional pitch. A “no pitch” is a dead ball situation.
  - 5.6.1.11.2. There will be no called strikes. However, missed swings and foul balls count as strikes. - Foul balls on the third strike or the fourth pitch do not count against the batter. If a third-strike or fourth pitch is bunted foul, the batter is out.
- 5.6.1.12. The base runners must stay in contact with the base until the ball is hit.
- 5.6.1.13. Infield Fly rule will not apply.
- 5.6.1.14. Bunting will be allowed during the entire season.
- 5.6.1.15. Halting play will be in accordance with Little League Rules.

  - 5.6.2.6.2. The ball has been returned to the 8’ radius pitcher’s circle (either the coach or pitcher's helper has possession), at which time the ball is ruled dead.
- 5.6.2.7. When the ball is ruled dead, runners who have advanced further than halfway to the next base will be awarded that base. Otherwise, runners will be returned to the previous base.
- 5.6.2.8. In the case of the last batter, play ceases if the batter fails to safely reach first base or when the lead runner has been stopped from advancing.
- 5.6.2.9. If the last batter fails to safely reach first base, no runs may score.
- 5.6.2.10. In the case of the last batter, once a base is tagged for a forced out, no runner may advance past that base. Runners that have advanced beyond that base may continue to advance until they are tagged out or a base ahead of them is tagged.
- 5.6.2.11. When a team is batting, two adult base coaches are permitted. They must remain in the coaching box at all times during play.

    - 5.6.2.16.1.3. Similarly, in the third inning the fifth and sixth batters will bat twice.
  - 5.6.2.16.2. If one team has thirteen players and the other has twelve:
