 - C. Player Evals – no news yet. Mary was to check with John
- IV. New Business
 - A. 50/70 League – proposed to have just one team this year to try it out. They would have to commit to playing All-Stars to be on the team for this year. Still need more information to make a decision.
 - B. Cutler Park Renovation - If township gets the grant, board was ok with letting them begin right away. We would have to work around not having Cutler Park for this year.
- V. Roundtable
 - A. Training – Tom DeJong proposed using Diamonds again this year. They have a Wed night from 7:15 – 8:45 time slot available for us for 8 weeks beginning 1/2/13 (4 weeks softball & 4 weeks baseball – rotate every other). Crystal offered the help of her players along with herself for the softball weeks. We would need to pay for an instructor for baseball pitching but could get volunteers to help with the stations. Cost would approximately be \$200/week.
- VI. Future Dates
 - A. Next Board Meetings – Jan. 7, Jan. 21, Feb. 4, Feb. 18, March 4 – all at 7pm in Nickels Cafeteria
