A few things to consider:

1. Income – **Registration Fees** – Overage may include income for League, Travel Team, Seasonal and Clinics. I suggest the new Treasurer try to develop a system to accurately allocate to the appropriate accounts from PayPal transfers.
2. Our **Total Income** was \$10,872 above forecasted amount.
3. We stayed under budget for the Umpire Labor.
4. We had a profit in Concessions of over \$11,400.
