Pawling and Simsbury might be in the same situation but will not know until tryouts begin at their locations. They will address the board in the future on this.

Lou Cassella addressed the Board about the **Pink Rink Hockey Clinic** that will be held February 21, 2010. Coach Tom O'Malley and the Sacred Heart Women's team will be on hand to instruct players on ice, dryland, and classroom training. Cost will be \$30.00 per player. This will include a ticket for the **Sound Tiger's** Vs. The **Hartford Wolfpack** game immediately following the clinic. A special CGHL/Sound Tiger jersey. A small portion of the fee will be donated to Breast Cancer research.

The CGHL will also celebrate our 5 season at the rink. We are hoping that we can get all organizations in the CGHL to participate in the celebration by selling tickets for this game. This will be a fund raiser to offset the cost of our of the season tournaments. See attachment for clinic and more information on ticket sales will be available soon. We are looking for two girls' U-10 teams to play between periods.

Meeting Adjourned: 8:47pm
