More discussion on 10 year celebration business

New Business:

Danbury Ice Arena proposed to match the cost of ice for the 19U tournament, stating that it would be a perfect weekend for part of the 10 year celebration as there is also another Women's tournament in play that same weekend. Danbury can guarantee 12 games, 3 Friday, 3 Saturday morning, 3 Saturday evening, 2 Sunday morning and Championship game Sunday afternoon. Discounted prices at LaQuinta Hotel for the weekend and walking distance to many restaurants.

As a quorum of the BOD was not present, it was suggested the Greenwich Panthers 11 year old player born 2003, in the middle 3rd of of the U12 team skills wise may provisionally cross-roster with the U12 team and PeeweeA1 team in the interim before November's BOD meeting .

Meeting Ended 9:25pm
