Kevin shared an idea to initiate a CGHL Award / Recognition program and sought feedback from the BOD. The gist of the idea is to recognize some of the many outstanding Players, Coaches, and extraordinary volunteers who demonstrate CGHL values: Things like: Academics, Leadership resilience, teammate skills (e.g. kindness), spectacular coaching values, etc.. So many do so much for girls and to make our league a spectacular experience and often without any recognition. CGHL would like to recognize some of the standouts as a small token of appreciation and as a way to encourage CGHL values which will hopefully be instituted by programs as well (internally). BOD enthusiastically agreed to pursue this. This **might require a sub-committee to plan and present to the board. Anyone interested? please contact Kevin**

Next Meeting: TBA by Kevin for late August 2016
