## **A Note About the Mass Bay Select All-Star Coaches**

In 2019, the league asked all of our 130+ Mass Bay Select League teams, programs & coaches to nominate a peer/opponent to coach these All-Star games. They were asked to nominate coaches who best embodied the spirit and philosophy of the league: "To Teach, Grow, and Honor the Game." The head and assistant coaches taking part in these games have been recognized for their outstanding commitment to lacrosse education and the promotion of sportsmanship and positive coaching.

## **A Message from the Mass Bay Select All-Star Co-Directors, Rick Zaccardo & Jim Olivier**

Mass Bay Select was introduced nine years ago to provide skilled athletes, who were committed to their town program, a platform to play lacrosse with higher stakes and fiercer competition. Today, we've narrowed that impressive pool of players down to very talented rosters that will compete against each other.

The 2019 Mass Bay Select All-Stars were chosen by their coaches and peers because they were team leaders on-and-off the field and are best represented the ideals of the team, town, and league lacrosse.

We hope our players enjoy the experience of meeting new coaches & teammates; and competing with and against the best lacrosse players in the state. It will also be a great opportunity to meet new friends and establish long-term friendships. They are the future seniors in our program so we look forward to watching them play today and in the future with passion, sportsmanship, and honoring the game of lacrosse.

Good luck, play hard, and have fun.

## **Program Notes (Town Names & Player Recognition)**

\* *Some MBYLL organizations are regional programs made up of several communities*

King Philip (Norfolk, Plainville, Wrentham)	Tantasqua (Brimfield, Brookfield, Holland, Sturbridge, Wales)
Nashoba (Bolton, Lancaster, Stow)	Tribal (Boxford, Middleton, Topsfield)
North Central (Ashburnham, Gardner, Hubbardston, Westminster)	Triton (Newbury, Rowley, Salisbury)
Pentucket (Groveland, Merrimac, West Newbury)	Wachusett (Holden, Paxton, Princeton, Rutland, Sterling)
Parkway (Hyde Park, Roslindale, West Roxbury)	

▲ *Some Mass Bay Select teams prefer unique identifiers explained below*

Dedwood (Dedham/Norwood)	Montachusett (Leominster/North Central*)
Merrimack Valley (Pentucket*/Haverhill)	West Central (Tantasqua*/Auburn-Worcester/Dudley-Charlton)

*A team made up of two towns separated by a hyphen (e.g. Hamilton-Wenham) means the two towns are always combined for Mass Bay Youth Lacrosse League (Classic & Select)*

*A team made up of two programs separated by a slash (e.g. Easton/Sharon) means that each is an individual MBYLL town program and they received a waiver to combine for Mass Bay Select*
