## GET UP & PLAY CHALLENGE

### Outdoors

There are numerous benefits for kids to be each day. Type or write "YES" on each date your child gets outside to play/be active for 30+ minutes that day

### Lax

Many kids have not played or even picked up their lacrosse stick since last March. Type or write "YES" on each date your child participates in lacrosse activity for at least 20 minutes that day.

### Contest

73 days from Jan 18-March 31. 146 possible "YES" points. If your child gets 70 or more points, send in calendars and they will be entered into a raffle to win prizes! More points above 70, more chances to win! See MBYLL.org for details
