

Appendix 2 USA Hockey Age Classifications

NOTE: The table should be updated each year to accurately reflect the age assignments:

2017-2018 Season		
Date of Birth	Age Category	Age Division
2010 – 2013	U8 (Mite)	Blue, Red, and White **
2008-2009	U10 (Squirt)	Blue, Red, and White **
2006 -2007	U12 (Pee Wee)	Blue, Red, and White **
2004 -2005	U14 (Bantam)	Blue, Red, and White **
2000 – 2003	U16 and U18 (Midget)	Blue and Red**

** Red and White teams are created ONLY if there are an adequate number of players. Due to limited practice ice only **one** age category may have a White team, and the White team would go to the youngest age category that has enough for a third team.

As a general rule four (4) years old has been determined to be the youngest age for starting a player in the association. For exceptions to this general rule, approval from the President or the Executive board must be obtained.
