Describe Lacrosse related experience:

Played box lacrosse at Cornell back in the day, never played for the "real" team. I've been coaching youth lacrosse in Livermore for 4 years now.

I've been on the Phantom's Board for as many years and serving as President now. I was the one to bring League Athletics to the Phantoms (about the same time Pleasanton started using them)

Describe professional and/or volunteer experience:

Professionally I'm an Operations Exec at Microsoft running speech recognition data centers worldwide. Before that I ran various large software development teams and sold a couple of companies along the way.

Which board statutory positions and/or committee chair positions would be of primary interest? Note what in your background would make you qualified for the position.

Statutory I'd be interested in Secretary as I've got lots of experience in running large organizations (400+) and running program management offices (PMO)

Which board committees would be of secondary interest and what in your background would make you a suitable chair of the committee?

For advisory committees I'd be interested in:

- Operations
- Compliance
- Communications
