Which board statutory positions and/or committee chair positions would be of primary interest?
Note what in your background would make you qualified for the position.

I believe three committees are appropriate for my background:

- 1) Boy's Game – Coaches and Players
- 2) Club Support and Compliance
- 3) Operations and Audit

I have coached in several clubs and seen the needs of clubs, teams, and players from many points of view. I have worked with many clubs in my role as Store Manager of Sling It, and understand uniquely the needs of players and how to operate and manage a lacrosse activity.

And now as the Club Manager for one of the largest Clubs in the NCJLA, I believe I will have a unique perspective on how to support and manage Clubs efficiently.

Which board committees would be of secondary interest and what in your background would make you a suitable chair of the committee?

Having run a store with very significant financial turnover (many times larger than the largest NCJLA Club), I am certainly capable of Chairing an Operations Committee.
