Indicate which of the board statutory positions and/or committee chair positions would be of primary interest. Note what in your background would make you qualified for the position.

Club support and compliance. I established the Davis Lacrosse Association but more perhaps more relevant over the past 5 years, I have already provided assistance and information to clubs both within and outside of the NCJLA with various aspects of their operations from establishing a nonprofit corporation to joining and participating in the NCJLA. I developed and am still editing a [Guide to starting and running a lacrosse organization](#)

Indicate which of the board committees would be of secondary interest and what in your background would make you a suitable chair of the committee.

I am willing to fill any of the board committee positions but have equal preference for Boy's game – coaches & players, Operations, Officials and Treasurer.
