Describe Lacrosse related experience:

Born and raised in Great Neck, NY, I played lacrosse for 30+ years beginning at the age of 5, through college, where I graduated from Syracuse University in 1993, and at the club and rec level as an adult. I moved to the Bay Area in 2000, and have volunteered as a youth coach for Pleasanton Lacrosse Club since 2007; I have also worked as an assistant coach for both Amador Valley and Foothill High School varsity lacrosse from 2009 to 2014.

Describe professional and/or volunteer experience:

In my professional career I work as an IT Manager for Topcon Positioning Systems in Livermore, CA managing the corporate IT infrastructure and support staff. Additionally, I remain involved with the Pleasanton Lacrosse Club, where I have volunteered for more than 7 years. Additionally I am now completing my second two-year term as a volunteer board member for the NCJLA, where most recently I have acted as the Boys Game Committee Chair and Vice President.

Indicate which of the board statutory positions and/or committee chair positions would be of primary interest. Note what in your background would make you qualified for the position.

Boys – Coaches development & compliance. Player development, travel teams & end of season events. I have a passion for the sport of lacrosse that began as a child and I embrace the opportunity to help grow the sport here in Northern California. I believe we need better coaches at all levels to help our kids grow and compete at the highest levels.

Indicate which of the board committees would be of secondary interest and what in your background would make you a suitable chair of the committee.

I am willing to help where needed in order to grow the sport in Northern CA.
