Coaches Play Day Survey

The NCJLA sent all coaches a [Play Day Survey](#) on 4/24. We would like every coach from your club to fill this out. Please remind them to do so by May 1st. The data we collect will be presented at our Summer Workshop.

NCJLA High School All-Stars

All High School Varsity Coaches have been asked to nominate up to three players to recognize as a 2020 All-Star. Please check in with your coach to double check that they have completed this task by April 30th. The Commissioners will also be following up any coaches next week that have not responded to the Google Form that was emailed to them.

US Lacrosse Youth Awards

US Lacrosse provided an opportunity to recognize individuals that are exceptional in what they do. Coaches, officials and program leaders can be recognized for their impact in what they do. Consider honoring that amazing individual by nominating them for a national Youth Award. The [US Lacrosse Youth Awards](#) page has explanations of the categories and more. Nomination deadline is June 1.

NCJLA Summer Workshop

Mark your calendars for **Saturday, June 13, 2020** to attend the Summer Workshop. This meeting will be either in person or online. Details TBD.

We have posted many pictures and write ups recognizing and thanking both adult and junior officials from the NCWLO and NCLRA. US LACROSSE RESOURCES

Lax at Home and 60 Ways to Play US Lacrosse has provided excellent ways to keep players active during this time. Message from US Lacrosse – “#LaxAtHome is intended to provide you with a centralized resource to use to stay on top of your game while at home. We've expanded our own digital offerings and compiled additional educational resources from our partners and friends in the lacrosse community. We've got you covered.” [Lax at Home link.](#)

60 Ways to Play gives you the tools and understanding behind using the principles of physical literacy to help children discover how their body works and how to move on their own without constant interference or “over-coaching.”
