**First Pitch**

The Chicago White Sox are hosting baseball and softball camps in La Grange this summer. Softball camps will be held for players ages 9-14 in late June at the Park District, and baseball camps will be held in July for players ages 5-12 at both the Park District and Sedgwick Park. This is a great opportunity to get your player some professional-level coaching after the LGLL season ends. And it will be close to home. For more info, please take a look at the brochures included at the end of this newsletter.

**Boys of (Insert Whatever Season This is Called Here)**

Mother Nature forced cancellations of all weekend and Monday games, but she couldn't dampen the A League action under the Friday night lights at Sedgwick Park. These boys got a front row “seat.” There’s thankfully no more snow in the forecast, but rain is another story. As always, we’ll hope for the best and update you on any cancellations.
