Save the Date **April 9th at 7:30pm** **Pink in the Rink (Comcast Arena)** **Washington Stealth Game**

Get your discounted ticket for the Washington Stealth vs. Minnesota Swarm game on April 9th. The Stealth is the Pacific Northwest's only professional indoor lacrosse team and the defending National Lacrosse League (NLL) champions! LTLC players will be forming the tunnel for the introduction of the Stealth players before the game. Because we had such a high turnout from our club last year, we get to be the only team participating in the player tunnel at this year's game. All players should wear LTLC jerseys and some pink to the game in support of breast cancer awareness. Your team manager will be forwarding further information. This is a fantastic event that you and your family will never forget. Don't miss out!

Training for Time keepers and Scorers

We are very fortunate to have clinics in the local area that are being taught by officials that referee at the highest levels of lacrosse in the state. Even if you have scored and timed in the past, you are sure to learn something new if you attend the clinics! Even if you are new to lacrosse, you can step up to help on the sidelines as a scorer/timer. **You have the best seat on the field!** (At the midline with the teams) **You're under cover when it rains! You will become an expert in no time!**

Please contact Beth Lancaster to confirm your attendance, indicating which team(s) you will be helping out with this year and which clinic you will attend. Many of you may have already stepped up at your team meetings but even if you didn't, we encourage you to attend. (Please RSVP to this email even if you indicated that you were interested at the team meeting so we can track total attendance.) We will need 4-6 volunteers from each team.

Club Merchandise

You will be able to order club merchandise through your team. Within the next few weeks, a sample of our club apparel will be available for you to see and try on. We are still in need of a volunteer to oversee club merchandise. Please contact Shelley Berke at berkeshelley@yahoo.com.

**Tyler Lucas, 1992-2011
Issaquah High School Lacrosse
Seattle, West Coast Starz
Team Washington
Junior Stealth**

Tyler died tragically in a car accident on February 1, 2011 on the cusp of his senior season. An all-star long stick defenseman, Tyler was known for his pure love of the game and the joyful spirit he brought to life and lacrosse.

In his honor, lacrosse players who knew him or were somehow touched by his story will be wearing "TL17" helmet decals in 2011. Sales of the decals are benefiting the [Juvenile Diabetes Research Foundation](http://www.juvenile-diabetes-research-foundation.org), at the request of the Lucas family.

In support of Tyler, our High School Boy's Team will be wearing the TL17 decals on their helmets this season.
