HBL Refund Policy Recreation Leagues

Because HBL strives to allocate players to teams to make them as even as possible, HBL reserves the right not to refund registration fees after a player has been assigned to a team. If HBL determines that a refund of registration fees will be issued, it will do so subject to the parameters below and based on the player's individual circumstances, including the timing of the request. Refund requests may be submitted to secretary@hillsboroughbaseball.org and a decision will be made upon review at the next HBL Board meeting.
