

# RHAA Summer Baseball Classic

Welcome to the RHAA Summer Baseball Classic. This is the welcome packet for our tournament.

If you have any questions or issues DURING the tournament please see a tournament director who will be wearing a RED shirt or a RHAA Board Member who will be wearing a Red and Black Polo. There will be staff patrolling the complex during ALL games in a golf cart / gator. Feel free to stop them and ask questions or report issues.

**First aid and AED** - Located in the Large concession stand by Field 1, next to the Red Awning Pavilion

**Weather** - The coaches will be contacted via TEXT, Email and Phone Calls with ANY game changes due to weather or other circumstance. If you hear a LOUD Horn which signifies Lighting please LEAVE the fields (and dugouts) and return to your car. We will communicate to the coaching staff updates as to when we will resume the games.

## Batting Cages

We have 2 batting Tunnels for teams to warm up. We ask that you move quickly through your team and share the tunnels if other teams are waiting. We may have the Tunnels divided in half to allow for 2 teams to use it at once. Tunnel 1 is behind the outfield fence on Field 4 and tunnel 2 is between Fields 3 and 5 next to the small concession stand.

## Check In

All teams must check in at the Red Pavilion before your 1st game. Please provide a complete roster along with copies of the players birth certificates to be checked by an RHAA staff member.
