Weekly training is at Smith and players are expected to arrive a minimum 15 minutes before start time. If you cannot make your team's day, please email your Coaches and advise you will be joining the other team for that day. Our goal is no kid misses a training session.

Thru our fall season every Thursday Smith field is also reserved in the event one teams gets rained out during the week. Sunday is also reserved in the event Saturday gets rained out.

Games will be scheduled starting our 3rd week. We will use the Thursday time slot for rain make ups and for games versus other Hartford County Teams as we progress thru our first couple weeks of training. You will note as we get into late September our weekday events start earlier (day light ends earlier).
