Greetings from the President

On behalf of the Board of Directors we welcome your child to the Bloomfield Raiders Youth Football and Cheerleading Organization. Our organization is supported by a diverse collection of individuals sharing in the same goals and ideals. We are eagerly excited to work with your child and help develop them to become competitive athletes, leaders, and successful scholars. In order to maintain commitment to success we will need commitment to excellence from our athletes, coaches, and parents. Sportsmanship, scholarship, safety, physical fitness, respect, spirit, discipline, responsibility, confidence, and fun are all values that are consistent to the Raiders family.

Importantly, as an organization and community, our players can learn how to work together, learn from disappointment, mature in an environment of support and leadership, and share successes.

Please take the time to review the Informational Booklet. In the event that you have any questions or concerns please feel free to contact me directly. We look forward to a productive and successful season!

Sincere Regards,

John C. Wood

CTYFL Towns in the League

Connecticut Youth Football and Cheerleading League.

CTYFL is located in central CT and is open to all children between the ages of 7-14 who live in one of the member Towns. Teams are filled on a first-come, first served basis. There are no tryouts!

*****All games are played on Sundays. This year there will be a Sunday night game**

Generally, the season goes for 8 weeks and then there are playoffs and championships at the A, B, and C levels. All games are held in the same way a High School game would be, which includes referees, chain crew, cheerleaders, and of fans. However, CTYFL has plenty of team's in CT, and would need a 14-week season to play every team once.

WHAT WILL MY CHILD NEED TO WEAR OR BRING TO PRACTICE?

Bring WATER! NO JUICE OR SODA IS PERMITTED!

A Towel

Wear comfortable Cheerleading Shorts (no jeans, jean shorts, baggy pants, or pajama pants)

- A Fitted T-shirt or Tank top
- Wear comfortable sneakers (**no sandals, crocs, or rubber shoes**)
- Wear your hair up in a ponytail away from face – no hair beads.
- No Jewelry (leave all personal items at home) not responsible if they get lost or stolen
- No long or fake fingernails

Cell phones will be left with the coach during practice and returned at the end of practice.

When and where are the games played?

All home games will be played at The Carmen Arace/Rec Center Field.

All away games will be played at the opponent's respective home fields. All games will follow the same game time schedule unless otherwise noted.

Will a bus be available to take players to and from games?

NO. Parents are responsible for transporting their child to and from all games.

How do I find out if a game or practice is canceled due to inclement weather?

Bloomfield Head Coach will notify the Team Parent Coordinator and they will notify each parent if there is no practice or game due to inclement weather. Bloomfield will use its discretion in canceling practice. You will be notified by phone or by email. Therefore, practices or games will be held **rain or shine**.

I heard that the cheerleaders attend a yearly competition; can you tell me more about it?

Competition is meant to give the girls a goal to shoot for, just as the football players go to playoffs, cheerleaders go to competition. The A, B and C levels are considered competitive and will compete against other squads in the league. Mighty Mites do not compete, but they do participate by doing an exhibition cheer and dance routine for the audience, which builds a great foundation for when they move up.

When is Competition held?

Competition is usually held the fourth Saturday in October. More details along with ticket information and pricing will be given out at a later date, but please mark your calendar for this fun event. Everyone is invited to attend. Tickets will be sold in advance or you can purchase them at the door on a first come first serve basis.

What does my child need to wear on GAME DAY? VERY IMPORTANT! Cheerleaders should come fully dressed in their uniform with clean cheer socks, clean cheer sneakers, and their hair neatly pulled away from their face. Please bring water and a light snack to eat during halftime. For more information on Cheer, visit the website at www.bloomfieldraidersfootball.leag1.com and click on the cheerleading tab.

PLAYERS CODE OF ETHICS

- Play safe.
- Tell your coach if you are injured.
- Make sure all of your gear fits and is in good condition. If you are unsure, ask your coach.
- If you are thirsty ask if you can get some water.
- Work hard every minute of practice and in games. Let your example be a role model for other players. After or before practice do not be afraid to ask your coach what you can do to improve.
- Pay attention to your coaches. They are there for you. Show them that you care by looking them in the eye when they speak and by learning the plays completely.
- Show respect for your teammates by cheering for them and helping them as much as possible. Don't tease them or make fun of any teammate.
- Encourage fair play and always play by the rules.
- Show respect for everyone in the program, especially the referees and the opposing team.
- Never ever give up! Even if your team loses, know that you have always done your best.
- When you wear your jersey off the field, remember that you are representing your entire team by the way you behave.
- Play for fun!
- Put the team ahead of yourself in every situation.

Bloomfield Raiders COACHES Code of Ethics

1. Be positive in your approach to the players. Reserve criticism for private and make it constructive. **Profanity** is not allowed on the practice field or playing field. Positive Impact has been a long-standing theme of the league.
2. Accept the decisions of the game officials on the field as being fair and called to the best of their ability. When there is a question or dispute handle it in a professional and mature manner that would exhibit positive character. Be an example of good sportsmanship to the players, parents, and spectators... don't just talk it!
3. Support the opposing players and coaches. Criticizing the other team by word of mouth, gesture, reactions, or any other way is not acceptable whether on or off the field.
4. No coach at any time should smoke or use smokeless tobacco or consume alcoholic beverages while on the playing or the practice field.
5. Strive to make every football activity serve as a training ground for life and a basis for good mental, emotional, and academic health. Coaches should encourage their players to put schoolwork first and football second. Maintain balance!
6. It is expected that each coach teaches the age appropriate fundamentals of football. Football is an ultimate team sport. Teamwork and hard work is the way to win in football and in life. Also, effort should be noticed and awarded. Players should know that winning does not always have to do with the score of a game.
7. Coaches are responsible for their fans. Coaches should control their fans and remember that they will usually follow your example and your influence.
8. Coaches should abide by and uphold all rules and expectations. Bloomfield Raiders Youth Football League and Connecticut Youth Football League rules apply to all games regardless of where they are played. Coaches will not teach or encourage players to "hedge" on rules that have been set forth by the league leadership.
9. A coach should never incite un-sportsmanlike conduct which includes but is not limited to running up the score, piling on, getting revenge on another player or team, excessive arguing with referees, leading the team in any kind of taunting chants or sayings and anything else that is not consistent with good sportsmanship.
10. At all times every coach should make decisions that are best for the players. Our leagues and this conference are about the kids and the love of the game of football and every effort should be taken to protect and uphold that fact. At no time should a coach let his love for winning override his love for the players and the integrity of the game.
11. Before the game begins, each team is to line up for the flip of the coin. Once the flip is finished and the kick off/return teams have been determined, the teams will then meet at the 50-yard line to shake hands. This shall be led by the coaches for the purpose of promoting sportsmanship throughout the league.
12. Each coach is expected to be a leader and lead with excellence. This means everyone who is present at any game and/or practice follows the above guidelines because of the influence of the coaches. Leadership is influence. Therefore, coaches are expected to be a leader of influence and lead their team to positive impact.
13. Any coach that disobey these rules will be dismissed from the Raiders program!

Bloomfield Raiders PARENTS Code of Conduct & Ethics

The purpose of the Raiders Organization will be to promote physical well-being and fitness of the youth, educate them in the skills and fundamentals of football, cheerleading, and other educational endeavors.

Therefore, I hereby pledge to support the purposes stated above. I will encourage good sportsmanship by demonstrating positive support and respect for all Participants, Coaches, Officials, Board Members, Staff and Opposing Teams at all times. I will, along with any guest of mine, refrain from any negative, threatening, vulgar, inappropriate or crude language/behavior while participating in, or watching any league sponsored event or practice. I will discuss this with my child and require that he or she model the same behavior.

I will acquaint myself with league rules as published on the Bloomfield Raiders Youth Football Program website and agree to abide by and support these rules. I will direct all my comments and criticisms to Board Members and conduct myself in a calm, civilized manner when doing so.

I understand that the Bloomfield Raiders Youth Football Program will not tolerate abuse of this code of conduct. I understand that if the code is violated, the league shall have the authority to impose penalties that may include elimination of my participation in activities even to the extent of not allowing me to be a spectator. In addition, myself or child may also be banned from league participation for **up to 3 years** depending upon the severity of the infraction.

Your cooperation is greatly appreciated.

GRIEVANCE POLICY

If any parent or participant has a concern or complaint the following procedure must be followed:

1. Talk to your child's coach after practice or game.
2. If the parent is not satisfied, please contact the Director of football.
3. If the parent is still not satisfied after contacting the Director of football, then follow-up with the Vice President of Bloomfield Raiders.
4. If at this time the parent feels the concern still has not been corrected, the concern should be brought to the President. If the President is unable to resolve the complaint, he/she will present the complaint to the Board of Directors for further investigation.
5. If at this point the parent is still not satisfied the league President will bring it to the CTYFL Board. **AT NO TIME** should a parent contact the CTYFL Board of Directors.

This handbook has been developed over the years and is a summary of everything we feel is important to running a successful football and cheerleading program.

This document is always being reviewed and updated!

A Coach's Letter to Parents

"By A Raiders Alumni"

Here are some hints on how to make this a fun season, with lots of positive memories for your kids and your family.

1. Make sure your kids know that, win or lose, you love them. Be the person in their life they can always look to for support.
2. Try to be completely honest with yourself about your kids' athletic capability, their competitive attitude, their sportsmanship, and their level of skills.
3. Be helpful, but don't coach your kids on the way to the game or at the breakfast table. Think how tough it must be on them to be continually inundated with advice, pep talks, and criticism.
4. Teach your kids to enjoy the thrill of competition, to be out there trying, to be constantly working to improve their skills, to take physical bumps and come back for more. Don't tell them that winning doesn't count because it does, and they know it. Instead, help them develop a healthy competitive attitude, a "feel" for competing, for trying hard, for having a good time.
5. Try not to live your life through your kids. You've lost as well as won, you've been frightened, and you've backed off at times. Sure they're an extension of you, but don't assume they feel the same way you did, want the same things, or have the same attitude.
6. Don't push them in the direction that gives you the most satisfaction. Don't compete with your kids' coaches. A coach may become a hero to your kids for a while, someone that can do no wrong, and you may find that hard to take. Conversely, don't automatically side with your kids against their coaches. Try to help them understand the necessity for discipline, rules, and regulations.
7. Don't compare your kids with other players on their team - at least not within their hearing. Don't lie to them about their capabilities as a player. If you are overly protective, you will perpetuate the problem.
8. Get to know your kids' coaches. Make sure you approve of each coach's attitude and ethics. Coaches can be influential, and you should know the values of each coach so that you can decide whether or not you want them passed on to your kids.
9. Remember that children tend to exaggerate. Temper your reactions to stories they bring home from practice or the game about how they were praised or criticized. Don't criticize them for exaggerating, but don't over-react to the stories they tell you.
10. Teach your kids the meaning of courage. Some of us can climb mountains but are frightened about getting into a fight. Some of us can fight without fear but turn to jelly at the sight of a bee. Everyone is frightened about something. Courage isn't the absence of fear. Courage is learning to perform in spite of fear. Courage isn't getting rid of fear -- it's overcoming it.
11. Winning is an important goal. Winning at all costs is stupidity.
12. Remember that officials are necessary. Don't overreact to their calls. They have rules and guidelines to follow representing authority on the field. Teach your kids to respect authority and to play by the rules.
13. Finally, remember that if the kids aren't having fun, we're missing the whole point of athletics.

Football Questions:

When and where are football practices held?

During the month of August, football practices will be held weeknights, Monday-Friday, from 5:45-7:45PM at Carmen Arace Field. The week School starts, practice will be **Wednesday -Friday 5:45PM-7:45PM.**

My child participates in additional activities during the football season. How does this affect my child's chances of playing?

Bloomfield Raiders encourages each player to attend and participate in each practice and game. If a player must miss a practice or game, a coach must be notified either by phone call or email. Limited excused absences are acceptable and will be allowed, however excessive absences may result in loss of playing time due to lack of participation.

***Unexcused absences may result in immediate loss of playing time.

What does my child need in order to participate in football?

Bloomfield Raiders will supply the following for each player:

- Game Jersey and Game Pants
- Mouthpiece
- Helmet
- Shoulder Pads
- Practice Pants

Parents will need to purchase the following items in order for your child to participate in practices and games. Check with your head coach, we may have some of these items for you to purchase.

- Football Girdle 5 pockets
- Game Socks (2 pairs) 1 orange & 1 Blue
- Athletic Cup/Supporter
- Football Cleats w/Rubber Spikes - No Metal Spikes!!!!

*****We do have a "girdle package" available for purchase which includes the five pocket girdle with pads, 2 pairs of game socks and a chin strap.**

What does my child need to wear to practice?

Coaches will usually announce the dress code for the next practice.

What does my child need to wear on GAME DAY? VERY IMPORTANT!

Your team coach will tell you which jersey to wear for home and away games.

How do I find out if a game or practice is canceled due to inclement weather?

Bloomfield Raiders Head Coach will notify the Team Parent Coordinator and they will notify each parent if there is no practice or game due to inclement weather. Bloomfield will use its discretion in canceling practice. You will be notified by phone or by email, other than that all practices and games will be held ***rain*** or ***shine***.

When and where are the games played?

All Raiders home games will be played at The Carmen Arace/Rec Center Field.

All away games will be played at the opponent's respective home fields. All games will follow the same game time schedule unless otherwise noted.

How many plays will my child participate in during the games?

The Bloomfield Raiders and The CTYFL by-laws mandate that all players must participate in at least six (6) plays per game which includes offense, defense, and special teams for the A & B Teams. C Team and Mighty Mite players will participate in at least six (6) plays per game to include offense and defense.

How are positions and playing time determined?

Coaches will evaluate each player in order to determine where they can help the team the most and ultimately where they can be the most successful. Players who demonstrate hard work, discipline, and good attendance during practices and games will be rewarded with additional recognition and playing time.

Should my child eat a big meal before practice or a game?

Energy and plenty of water are essential for a healthy athlete. It is difficult to participate on a full stomach. Your child should not eat a large meal within 1 to 2 hours of practice or game; just provide them with a substantial healthy snack. Juice, soda, or other sugary drinks are not suitable to keep your child well hydrated. For Safety Reasons - Ample Water should be provided for practices and games.

What Attitude should I expect from my child during practice?

The first week is conditioning week, where football players and cheerleaders will be required to run, do calisthenics and practice basic stance. Because this is a rigorous and challenging week you may find that your child is tired and grumpy and reluctant to attend practice. As your child becomes fit and gain more confidence his/her attitude will improve. Your support and enthusiasm will help your child through this first tough week and the duration of the season.

Cheerleading Questions:

When and where are cheerleading practices held?

During the month of August, cheerleading practice will be held every day, Monday-Friday, from 5:45PM-7:45PM at Carmen Arace field. The week School starts, practice will be Wednesday -Friday 5:45PM-7:45PM inside Carmen Arace gym. Your coach will let you know if the locations change. **Practices are for cheerleaders and coaches only! Parent, Friends or siblings are not allowed at practice.**

My child participates in additional activities during the football season. How does this affect my child's chances of playing?

Bloomfield Raiders encourages each cheerleader to attend and participate in every practice and game. **If a cheerleader must miss a practice or game, a coach must be notified either by phone call or email.** Excessive absences may result in loss of time in learning cheers, sideline routine, and participation in cheering at games and participating in competition.

Unexcused absences may result in your child not cheering at home or away games.

What does my child need in order to participate in cheerleading?

Bloomfield Raiders will supply the following for each cheerleader. All of these items **must** be returned at the end of the season.

- Cheer skirt
- Cheer Vest
- Poms
- Cheer Turtleneck

Parents will need to order the following items in order for your child to participate. Check with your head coach to place your order. Money is due at time orders placed.

- Cheer Socks
- Cheer Briefs
- Cheer Practice Shirt (optional)
- Cheer Practice shorts
- Cheer Swiss Boom Rah II Sneakers (White Only)
- Sweat Suit (optional)

How to sign-up to Volunteer:

- Signup sheets are located at the registration table.
- Sign-up for the job you want to volunteer for and note the commitment on your personal calendar.
- Check with your team parent, head football coach, or head cheerleading coach to see if you are scheduled to work. Please report for duty at least 20 minutes prior to the start of your shift. Be sure to sign-in, so the team parent coordinator can record your hours.
- If you are unable to volunteer at your required time, it is your responsibility to find a replacement for your assigned shift and to notify your team parent - not the team parent coordinator.

How can parents volunteer to help out their child's football/cheerleading team?

Parent participation is crucial to the overall success of the season. We need the assistance of participants' parents in a wide variety of activities ranging from announcing the games, working in concessions, and filming the games. Please read the following list of Volunteer Job Descriptions and sign-up for the position that suits you best.

1. **Team Parents** (all season) - The team parent is the coach's "right-hand" and works closely with the Team Parent Coordinator to help distribute team and individual material. The key responsibility is to ensure that parents are kept informed. The Team Parent Coordinator coordinates with all the team parent volunteers before each game.
2. **Game Day Snack Parent** (multiple parent responsibility that rotates on game-by-game basis) (all games) - This is a revolving game day responsibility that is assigned by the Team Parent. It entails ensuring that cool drinks are available for halftime fluid replenishment for cheerleaders and that a snack is available immediately after the game for football players.
3. **Chain Crew (Away & Home games when needed)** - This group of four parents will be assigned to work Home and Away games when needed. Two people will be required to move the chains that indicate first down yardage requirements. One person will be needed to move the down marker and another person to hold the line of scrimmage marker.
4. **Concession Stand Workers** (home games -6 per game) Concession Stand volunteers sell food items to patrons at home games. Workers will be under the directions of the Concession Stand Manager. Volunteers Must be 16 years of age or older to work in the concession stand.

5. EMT's - Home Game Medical Coverage

The Bloomfield Raiders is required to have one EMT (Emergency Medical Technician) or RN (Registered Nurse) or Doctor at **each home game**. We would like to form a list of parents with the above mentioned medical credentials who would like to help out at our home games. While events requiring the need for medical attention are infrequent, duties would include checking on injured players, using basic first aid supplies (provided) and calling 911 for advanced medical assistance or transport to hospital. Time commitment would depend on the number of parents willing to help. This could range from 1 to 4 games. Please see the Head Football Coach for more information.

NOTE: ONLY COACHES AND PLAYERS ARE ALLOWED ON THE PRACTICE FIELD AND THE FOOTBALL FIELD.

Bloomfield High School Home Games

It's been a tradition that when The Bloomfield High School WARHAWKS have a scheduled home game, Bloomfield Raiders Football will **end practice at 7PM.**
