In order to email the entire team, click on this icon.

To email an individual click on their name and you will get the detailed info on person with an icon that allows you to send an email to that person.

If you want to email the coach or manager just click on the little envelope next to their name on this screen.

By putting in your team password you will also have access to your team's schedule, where games are being played at and directions to the different rinks.

Team Schedule's can be viewed online, downloaded to files or even setup to automatically update your Outlook or other calendar programs.

In order to do this, click on Team and Multi-Schedule

You should get the following screen:
