

17th Annual Methuen Fun Hockey League “Skate & Read” Program!

Learn the game of ice hockey and read some great books! The MFHL introduces new players to ice hockey, and helps more experienced players sharpen their skills. Players are expected to read at least 4 age-appropriate books from our “Skate & Read” list during the season. These books are available at the Nevins Library and at the rink during certain sessions. Holiday “Skate & Read” Cross-Ice Tournament; 22 hours of on-ice instruction; cross-ice games; team jersey; and April “Skate & Read” party included for just \$129 per player!
