OLD BUSINESS:

- **Scheduler's Report**
 - Todd is working on dates for playoffs. 1 or more may not be at the same time. Waiting for playdown games TBD.
- **Treasurer's Report**
 - Checking Account has \$18,559.52
 - Scholarship Account has \$1,161.77
 - Scholarship have not been paid out.
- **Statisticians Report**
 - Barbara's address is on the game sheets. Get them into her, if she doesn't have the game sheet the game doesn't count towards your total games for the season. It is the responsibility of the Home Team coach to get them into Barbara. By leaving at the Olympia or mailing, or emailing.
 - If you have one of the missing game sheets, home or away coach get it in.
 - IF you are a coach make sure that the top of the game sheet is filled out with the proper date/time, place and age group.
- **Board Positions**
 - President position is still open; please take it back to your organization. The thought is to maybe get someone in that position with younger kids and who is into the ADM. Someone with the proactive energy this position needs.
- Mark Sampson is the District 6 supervisor of referees, Mark Rhodes is here to assist until he leaves.
- Holy Name midget goalie playing down to Bantam was previously approved this is all set.
- There have been complaints about Williston and Fitzpatrick not being open for the early games.
 - The phone number for Williston is 413-529-3000 this is the switchboard to ask an officer to open the gates.
 - We were unable to come up with a useful phone number for Fitzpatrick.
-

NEW BUSINESS:

- Mite Games in general are getting chippie with coach issues etc. They are not calling penalties but there is a provision where they can talk to the players. We should try and come up with a way that these behaviors are getting corrected.
 - 1 issue was opposing teams being put together in the locker rooms at the Olympia.
 - Katie Carzello will speak to Barry Tabb and ask that he put opposing teams in separate locker rooms going forward.
 - Another issue was that the coaches have a hard time figuring out when they are going to be required to take down the hard rink boards. Katie will talk to the rink to see how the coaches can figure this out.
- It was requested that coaches look at the penalty minute list and see where there teams come in. This is something that every team can work on to clean up the games.
- Stipends- the group will look at this before the next meeting.

- **Registrars Report-**
 - Jeff Brown will look at what kind of list he can come up with for coaches not certified. If not each organization can send out a list of their own.
 - Waivers this year were given out pretty easily, much more so than in the past.
- Safe Sport requires each organization to have a locker room policy.

Meeting adjourned at 7:47 p.m.

The next meeting will be Wednesday, February 11, 2015 @ 7:00
In the upstairs conference room at the Olympia Ice Rink
