

## **GSL Meeting October 10<sup>th</sup>, 2018 Agenda**

Meeting called to order at 7:09 pm

Present: Tim McMahon, Beth Gokey, Ryan Scott, Kelly Wright, and a representative from Holy Name, WTM, Capitals, FCHA, Pioneer Valley, Nonotuck, Amherst, Ludlow, Westfield, Brattleboro and Enfield

Absent: Kelly Huard, Brad Dakers and a representative from Ludlow

### President's Report - McMahon

- There are many youth hockey experiences available through the Thunderbirds so be sure to check them out for your teams.
- AIC is offering season tickets this year and has family 4 packs available for as low as \$90.00 for the season (16 home games).
- Feedback on the Evaluation Process without Volunteers was good and the games ran well without having a sign in table. As far as the evaluation process goes at the end of the day the entire board votes on team placement and it is pretty transparent. There are no set rules on how teams are decided it really comes down to numbers collected from evaluations.

### 1<sup>st</sup> VP Report – Dakers

- Suspensions have been served and there are no current suspensions to report.
- The Coaches Meeting on 9/26 went very well and was informative. The referees presented in a new way administering a test to all the coaches which we then went over. This format was well received and brought up valuable discussion.

### Schedulers Report - Huard

- All 12U and 10U Divisions have been determined and are posted (listed below). As of Friday, October 12 all game schedules have been posted.
- The Mite Jamboree at Ludlow on 9/29-30 went well and we did not hear of any issues with the Jamboree.
- An important reminder on the process of game changes is that a game change needs to be reported 30 days prior to the change. It is to be reported to Kelly Huard the GSL Scheduler. Game changes are discouraged and are not guaranteed because of scheduling and ice availability. If a game is successfully rescheduled, the team requesting the game reschedule is responsible for the cost of the entire ice fee associated with the new game.

### Treasurer Report - Gokey

- Account Balance – \$35,525.04 and Scholarship fund has \$1,143.90
- Dues and evaluation fees will be sent out in the next couple of weeks.

### Statistician Report - Scott

- Standings are posted reflecting reported games. At this time only Bantam and Midget games are being played.

- There are a few missing game sheets. Please remember to that the home team needs to submit picture of white copy of game sheet immediately following your game if possible. Detailed procedures are available on website.

#### Secretary - Wright

- The September 2018 Minutes were approved.

#### Marketing and Communications Report – Mariani

- Karen Mariani was introduced and gave a quick update on her marketing plan going forward. She feels recruitment is an important part of her marketing plan as well as community outreach. We'll be starting an Instagram account and possibly running some social media contests.

#### Registrar Report – Febus

- Eliana gave an update on missing/incomplete on rosters. Many rosters were handed in but many not matching up with what is on team websites. Only a Ludlow and WTM have not submitted rosters yet. Eliana will email organizations that have roster issues.
