

Welcome to AB Baseball Clinics!

This summer, Brett Goldstein and Adam Freedman will again be offering baseball clinics for younger players. We will be teaching position-specific defense, hitting, base running, and throwing fundamentals. We offer one hour clinics and can accommodate different schedules. Adam and I have been playing for over ten years, and during that time have played on multiple league championship teams, All-Star teams, and have won a Massachusetts State Title. Clinics will be held at a mutually convenient field in Newton. Clinics are typically held from 9-2 but we are flexible. Email us to schedule a time that would work for your player. Please email us at adamfreedman3@gmail.com or therealbrettgoldstein@gmail.com

Play ball!

Adam & Brett
