Memo to NSELL Managers and Coaches

The NewtonSouthEast Little League, in compliance with the new federal law “Protecting Young Victims from Sexual Abuse and SafeSport Authorization Act of 2017” (“SafeSport”), has developed and implemented a policy which requires all of our volunteers (meaning at least all managers and coaches) to become “SafeSport Compliant”.

In order for you to be aware of your duties, responsibilities and obligations created under SafeSport and applicable under our policy, and for the League to know that you have become aware, all managers and coaches are required to (1) complete the “Abuse Awareness of Adults” course from USA Baseball; (2) obtain a Certificate of Completion from the Course; and (3) email your certificate to our league’s General Counsel, Elliott Loew (emlpc@comcast.net). The Course can be accessed at:

https://www.littleleague.org/player-safety/child-protection-program/safesport-resources-parents/?utm_source=SafeSport&utm_medium=email&utm_campaign=SafeSport%20Video

A copy of the Course Materials is available on the League website.

Please take a few minutes and read the policy, take the course and send your certificate to Elliott Loew. That must be completed by April 30, 2019.

Thank you.
