- *Lisa requested for baseball Cross check names before submitted to ULMK league, kids were submitted to ULMK league and not registered with UMYA in fall baseball, Rob M stated that was done because league rosters need to be submitted prior to registrations closing and players were placed on roster that were possibly going to register, some of the players didn't register and didn't play but were on roster, Lisa requests that we try to not place on roster if not registered

Parks and recreation

- *Meeting canceled last night
- *Supervisors meeting-wish list, Rob states UMYA wants to know balance, committee wants to know what items we want prior to giving balance, on our list full size soccer field, t-ball field, parking at Jasper, Matt S states full size soccer field first, t-ball field can be placed down at batting cages, volleyball courts could be removed and pole barn/indoor facility-multiple use building, park at indian creek for residents only, park at kohler tract for township, miller property could be used for soccer, current soccer could be used for t-ball and/or indoor facility

- *Switching size of teams, 4v4 at u7/8, goals purchased last year are too big 6x12-can still be used at tournament, \$225 per pair for 4x6 goals, will need three to four, Matt S. asked do we let LMYA host all games this spring or purchase-Susannah/Harry would like games at Lenape, 7v7 at u10, 9v9 at u12, age group changing goes into effect January 2017
- *Age cutoff now 8/1, will be 1/1, as a rec league we don't have to follow it, LMYA enforcing it now, LMYA players moving over because age change, northern valley will not change age, travel teams have to change, Matt S leaning to not enforcing age group changes, travel teams if we elect to have will need to follow new age change, our tournament will mimic our decision with the age cutoff for the organization, Susannah asked about u9 and u11, LMYA and UMYA can decide together to do this for in house league
- *Lisa asked if Insurance will need to be paid for all players this year, per Matt S yes
- *Insurance and referee fees should be only fees this spring
- *Rob M. Previous player interested in coaching, played in college and back in area
- *Matt S said we can always decide to go back to northern valley we are in good standing but fees would drastically increase
- *Randy stated age change will affect older age groups more because kids have been playing together for awhile, younger kids wouldn't be as affected
