### Special Presentation regarding potential new CAA Website

- Presenters: Pete Linder, Nick Hansgen and Tom O'Neill
- Team met with Sports Engine and determined it seems to be the best option
- Could take between 30 - 60 days to install
- Would like to have at least the baseball site completed prior to Feb 1 when Community baseball opens up
- Team also recommends to use Evolve Creative, a firm which will help with content, the look of the site and ensure it has a cohesive feel
- Costs:
  - \$750 per year vs. \$2,175 per year which is what we are paying today
  - \$13,500 for Evolve Creative
  - TOTAL: \$14,250
- On Going Fees
  - Today: \$.70 + 2.7%
  - With new program: \$1.00 + 3%
- Team discussed that we could pass on the administrative fees to our members, we will table that for future discussion
- Timeline:
  - Starting talking to Sports Engine week of 12/14
  - Work with other members on the board if necessary, especially Terre
- Decision:
  - Motion made by Troy to move ahead with Sports Engine and Evolve Creative
  - Second by Beth

Potential Memorial for Angie Quinn:

- Discussed potential of establishing a scholarship or memorial in honor of Angie Quinn, an avid supporter of Chanhassen Athletic Association sports who passed away.
- May rename existing Chanhassen Scholarships in her name
- Terre to contact Angie's husband to determine if he is OK with this approach
- Decision:
  - If Angie's husband OK, rename our CAA Scholarships given out to Chanhassen Athletes in May 2021
