SOFTBALL GAME RESCHEDULE REQUEST

A game reschedule must meet the League Rules & Policy listed below:

Rules: ARTICLE V - SCHEDULES AND POST-PONEMENTS

Section 1 - Schedules will be drawn and made available on an announced date. Any conflicts: (1) organized school activities, (2) known conflicts involving other organized sporting events that would leave teams with less the eight (8) players, must be presented in writing at the last coaches meeting "The Draw Meeting". Rescheduling of games due to conflict will be subject to approval by THE PROGRAM DIRECTOR.

Reschedule Policy: CONFLICT SCHEDULES WERE REQUESTED AT THE START OF THE SEASON. WHILE I UNDERSTAND A FEW SCHOOL EVENTS ARE SCHEDULED AFTER THAT DATE any reschedule **REQUEST** puts a **hardship on the other team. Policy will be any reschedule must be approved by team being requested to reschedule. League will then reschedule to an open date. If either team cannot play on that date the game will be a forfeit on the team requesting the reschedule. Games will be marked a forfeit until the game is replayed. This form must be completed and returned to request any reschedule that meets league rules.**

Please email approval of the initial request to sunrisesoftball@sbcglobal.net, then acceptance of the reschedule when received to same email.

You must have less than 8 players available for a game to request a reschedule. Acceptable conflicts are school events, church activities, illness, and other reasons deemed acceptable by the Program Director.
