Uber Airport Pick Up

1. Open the Uber app on your smartphone and navigate to your desired vehicle option. If you're traveling in a group or have extra bags, consider a high-capacity vehicle like uberXL or UberSUV.
2. After selecting a vehicle, follow the Rideshare signs to navigate to the Lower Level of the terminal.
 - a. For **Domestic Terminal** pickups, head to the level below baggage claim via the escalators near *South Baggage* Carousel 5 or *North Baggage* Carousel
 - b. For **International Terminal** pickups, meet your driver at the outer curb.
3. Exit the airport, cross the pedestrian zone, then follow the Rideshare signs.
 - a. For **Domestic Terminal** pickups, walk to the Rideshare Pickup zone, then request your ride. Please do not request beforehand, as your driver may have to pay for parking if they're in the lot for more than 15 minutes. Contact your driver to let him or her know which *color-coded sign* you're waiting by in the Rideshare Pickup zone.
 - b. For **International Terminal** pickups, choose a *door number* so your driver knows where to pick you up. Then select the door or gate number. If you are unsure of the number, check the signs posted outside. Meet you driver outside at your selected door number. All Uber pickups must occur on the lower (arrivals) level only.
