

Section Research Awards

2005

The following are the 2005 Research Award and Research Honorable Mention recipients. Further information about the Awards Committee and abstracts of the winning papers and posters are available in the Summer 2005 issue of Hypothesis.

The Hospital Library Award (new award starting in 2005)

Using the Performance Analysis Process to Improve Patient Education Projects

Marcy L. Brown, AHIP, medical librarian, Health Sciences Library, Forbes Regional Hospital, Monroeville, PA

Paper: 1st place (tie)

Information Behaviors in an Online Smoking Cessation Community

Carol Perryman, fellow, PhD Student, School of Information and Library Science, University of North Carolina-Chapel Hill, Durham, NC

Paper: 1st Place (tie)

Taxonomy Development for Meaningful Data Analysis

Catherine Arnott Smith, assistant professor, Information Studies, Syracuse University, Syracuse, NY

Paper: Honorable Mention

Weaving Evidence-based Medicine Resources into the Internal Medicine Residency Morning Report

Cindy A. Gruwell, associate librarian, and James Beattie Jr., associate librarian, Bio-Medical Library; and Bradley Benson, assistant professor, Pediatrics, Department of Medicine; University of Minnesota-Minneapolis

Poster: 1st place

Tenure and Faculty Status in Academic Health Sciences Libraries

Priscilla L. Stephenson, AHIP, coordinator, Reference Services, and Lin Wu, reference services librarian, Health Sciences Library, University of Tennessee Health Science Center-Memphis, and Betsy

Park, head, Reference Department, and Perveen Rustomfram, reference librarian, Ned R. McWherter Library, University of Memphis Libraries-Memphis

Poster: 2nd Place (tie)

Comparing Bedside Information Tools: A User-centered, Task-oriented Approach

Rose Campbell, National Library of Medicine fellow, Department of Medical Informatics and Clinical Epidemiology, and Dolores Judkins, AHIP, head, Research and Reference Services, OHSU Library, Oregon Health & Science University-Portland

Poster: 2nd Place (tie)

Using Bibliometric Evidence as a Tool to Determine Developing World Research Priorities: A Preliminary Study

Andrea Ryce, National Library of Medicine associate fellow, Health Sciences Libraries, University of Washington-Seattle; Sheldon Kotzin, chief, Bibliographic Services Division, National Library of Medicine, Bethesda, MD; and Karen Hofman, director, Division of Advanced Studies and Policy Analysis, Fogarty International Center, Bethesda, MD

2004

The following are the 2004 Research Award and Research Honorable Mention recipients. Further information about the Awards Committee and abstracts of the winning papers and posters are available in the Summer 2004 issue of Hypothesis.

Research Award recipients:

“The impact of online training on information-retrieval skills and clinical decision making in a family medicine clerkship” (paper)

- Katherine Schilling, AHIP, head, Information Management Education; David S. Ginn, AHIP, director; and Joseph J. Harzbecker Jr., AHIP, head, Reference and Interlibrary Loan; Alumni Medical Library; and John M. Wiecha, assistant professor, Medicine, Department of Family Medicine; Boston Medical Center, Boston, MA

“Em(P)owering your institution through benchmarking: a mixed-model approach to assessment” (paper)

- Douglas J. Joubert, digital information librarian, Robert B. Greenblatt Library, Medical College of Georgia– Augusta

“The state of eating disorders research publications 1980–2000: an empirical analysis” (poster)

- Mary J. Markland, AHIP, Southeast Clinical Campus librarian, Harley E. French Library of the Health Sciences; and Stephen A. Wonderlich, associate chair/ professor; James E. Mitchell, chair/professor; Ross D. Crosby, director, Biomedical Statistics & Methodology; and Martina de Zwaan, research scientist; Department of Neuroscience, Neuropsychiatric Research Institute; School of Medicine & Health Sciences, University of North Dakota–Fargo

Research Honorable Mention recipients:

“Reemerging infectious diseases: a comprehensive investigation of the adequacy of medical literature coverage” (paper)

- Pauline Todd, coordinator, Monograph Collection Development; Taneya Koonce, assistant director, Webteam; Jennifer Ann Lyon, coordinator, Research Informatics Consult Service; Mary Teloh, coordinator, Special Collections; and Nunzia Bettinsoli Giuse, AHIP, director; Eskin Biomedical Library, Vanderbilt University, Nashville, TN

“Using outcome measures to assess the information seeking behavior of clinicians after access to online resources: a longitudinal cohort study” (paper)

- Nancy H. Tannery, assistant director, Information Services; Charles B. Wessel, coordinator, Affiliated Hospital Services; and Barbara A. Epstein, AHIP, interim director; Health Sciences Library System; and Cynthia S. Gadd, assistant professor, Medicine, Center for Biomedical Informatics; University of Pittsburgh, Pittsburgh, PA

“End user empowerment: selecting and integrating a clinical electronic reference based on clinician choice: the numbers speak volumes” (poster)

- Terrie R. Wheeler, library director, Library and Medical Media, VA Pittsburgh Healthcare System, Pittsburgh, PA; Mary E. Nourse, AHIP, library director, Medical Library, Erie VA Medical Center, Erie, PA; and Robert S. Lyle, library director, Medical Library, Philadelphia VA Medical Center, Philadelphia, PA

2003

The following are the 2003 Research Award and Research Honorable Mention recipients. Further information about the Awards Committee and abstracts of the winning papers and posters are available in the Summer 2003 issue of Hypothesis.

Research Award recipients:

“Evaluating the Effectiveness of Clinical Medical Librarian Programs: a systematic review”

- Gary D. Byrd, Ph.D., AHIP, director, Health Sciences Library, University at Buffalo (SUNY), Buffalo, NY, and Kay C. Wagner, AHIP, director, Wegner Health Science Information Center, University of South Dakota School of Medicine – Sioux Falls

“Evidence-based Databases versus Primary Medical Literature: an in-house investigation on their optimal use”

- Taneya Y. Koonce, Assistant Director, Education Services, Eskind Biomedical Library, Vanderbilt University Medical Center, Nashville, TN; Clista Clanton, Web development and education librarian, Biomedical Library, University of South Alabama-Mobile; Garad M. Davis, library intern; Shannon Mueller, library intern; Katherine E. Szigeti, library intern; and Nunzi B. Giuse, M.D., AHIP, Director; Eskind Biomedical Library, Vanderbilt University Medical Center, Nashville, TN

“Sink or Swim: Making Sense of Productivity and Workload Measurement”

- Sharon A. Phillips, AHIP, Director of Organizational Development, Wayne State University Library System

“eBay Sellers’ Opinions about “Librarian” Clothes: Frumpy or Bumpy?” (poster)

- Sunny L. Worel, Library Information Specialist, R. N. Barr Library, Minnesota Department of Health – Minneapolis, and Allan R. Barclay, Information Architect, Health Sciences Libraries, University of Wisconsin-Madison

Research Honorable Mention recipients:

“Online Journals’ Impact on the Citation Patterns of Medical Faculty”

- Sandra L. De Groote, Assistant Information Services Librarian, Library of the Health Sciences, University of Illinois at Chicago, Chicago, IL ; Mary Shultz, Assistant Information Services Librarian, Library of the Health Sciences, University of Illinois at Chicago, Urbana, IL ; Marci Doranski, Resident Librarian, Library of the Health Sciences, University of Illinois at Chicago, Chicago, IL

2002

The following are the 2002 Research Award and Research Honorable Mention recipients. Further information about the Awards Committee and abstracts of the winning papers and posters are available in the Summer 2002 issue of Hypothesis.

Research Award recipients:

- “What’s the Score? Evaluating Student’s MEDLINE Searches,” by Kathryn W. Nesbit, Jan Glover, Michele Shipley and Robert G. Holloway (poster)
- “Does Weeding a Monographs Collection Increase Subsequent Usage of Unweeded Titles? A Randomized Controlled Trial,” by Jon D. Eldredge, Katherine L. Mondragon and Carol L. Fierro (poster)
- “Accessing the Most Recent Information: Part II,” by Helen-Ann Brown, Kristine M. Alpi, Daniel Cleary, Mary Jo Dorsey, Kevin Pain, Anny Khoubesserian and Antonio Ramos (paper)

Research Honorable Mention recipients:

- “MEDLINE Selective Dissemination of Information (SDI) Services: How Do They Compare?” by Mary Shultz and Sandra De Groote (poster)
- “Determinants of Effective Library Faculty-Pharmacy Faculty Communication, A Randomized Controlled Trial,” by Jonathan D. Eldredge and Charity T. Karcher (poster)
- “The Impact of the Web on Reference,” by Linda J. Walton, Kurt I. Munson, Stephanie Kerns, Linda C. O’Dwyer, Cheryl Powell and James Shedlock (paper).

2001

The following are the 2001 Research Award and Research Honorable Mention recipients. Further information about the Awards Committee and abstracts of the winning papers and posters are available in the Summer 2001 issue of Hypothesis.

Research Award recipients:

- “Can We Prove that Medical Students Can Be Taught to Search MEDLINE Effectively?” by Kathryn Nesbit and Jan Glover (paper)
- “Bibliographic Topography: Efforts to Assess the Lay of the Land,” by Barbara Schloman
- “Copyright Permission Odyssey: Direct Requests Versus the CCC,” by James D. Prince, Beverly Gresehover and Lolita Heimbach (poster)
- “Library Use Survey of University of Texas Health Science Center-San Antonio Faculty: Comparison of 1996 and 2000,” by Jonquil Feldman and Virginia Bowden (poster)

Research Honorable Mention recipients:

- “An Observational Investigation of Information Seeking and Use by Nurses at Work in a Non-teaching Community Hospital: Implications for Hospital Librarians,” by Michelynn McKnight (paper)
- “Use and Impact of Online Journals,” by Sandra De Groot and Jo Dorsch (paper)
- “Evaluating the Evidence: Creation of Gold Standard Practices for Searching and Filtering the Biomedical Literature,” by Rebecca Jerome, Kimbra Wilder Gish and Nunzia Giuse (paper)
- “Accessing the Most Recent Information,” by helen-ann brown, Kristine Alpi and Daniel Cleary (poster)
