Atlantic Plywood Broadens Distribution with Nevamar by Panolam

~ Wholesale Plywood and Panel Products Distributor adds Nevamar Laminate to Bolingbrook Offering ~

Batavia, IL, July 1, 2019 – Effective immediately, Atlantic Plywood, a wholly-owned subsidiary of Parksite, will distribute Nevamar by Panolam throughout the markets served by their recent expansion into Parksite’s 125,000 sq ft. Bolingbrook, Illinois distribution facility. Nevamar by Panolam, a leading manufacturer of high-quality, innovative surfacing solutions, will be available in every HPL pattern and color in multiple sizes for next day delivery, with over 1,000 skus available. Building on the strong relationship between Panolam and Atlantic Plywood, both Atlantic Plywood and Parksite architectural specification associates will support the product line.

“We are extremely excited to be on board with Nevamar in Illinois,” said Ken Zarrella, Laminate Product Manager, Atlantic Plywood. “Nevamar has a rich, longstanding history as an industry leader, with a broad color pallet and product portfolio, and a commitment to offering innovative technology and high-quality products. Atlantic Plywood and Parksite, as the market leaders, need to be aligned with the best decorative products available in the market. Our team is excited and ready to start promoting Nevamar products in this new market.”

Parksite acquired Atlantic Plywood Corporation, a leading distributor of industrial wood products and accessories in the Northeastern United States in January 2018. “The purpose of the acquisition of Atlantic Plywood was to combine the resources of two great companies and expand into areas we couldn’t separately. Creating one company to deliver product solutions from industrial wood products, to premium surfacing materials to specialty building products will provide customers an unmatched resource in our markets”, stated Ron Heitzman, CEO of Parksite Inc.
