

U.S. Department of Labor Issues COVID-19 Relief and Guidance for Employee Benefit Plans – 04/29/20

The U.S. Department of Labor's Employee Benefits Security Administration (EBSA) today issued deadline relief and other guidance under Title I of the Employee Retirement Income Security Act of 1974 (ERISA) to help employee benefit plans, plan participants and beneficiaries, employers and other plan sponsors, plan fiduciaries, and other service providers impacted by the coronavirus outbreak.

The notice extends certain time frames affecting participants' rights to healthcare coverage, portability and continuation of group health plan coverage under COBRA and extends the time for plan participants to file or perfect benefit claims or appeals of denied claims. These extensions provide participants and beneficiaries of employee benefit plans additional time to make important health coverage and other decisions affecting their benefits during the coronavirus outbreak.
