Labs that offer cardiovascular genetic testing for cardiomyopathies and/or arrhythmias:

- **Ambry Genetics**: http://www.ambrygen.com/
- **ARUP Laboratory**: ltd.aruplab.com/
- **ApolloGen**: www.apollogen.com
- **Baylor**: www.bcm.edu/geneticlabs
- **Cincinnati Children’s Heart Institute**: www.cincinnatichildrens.org/service/h/heart-institute/diagnostic-lab/genetic-testing
- **Correlagen/LabCorp**: www.correlagen.com/index.jsp
- **Emory Genetics Laboratory**: www.genetics.emory.edu
- **Fulgent Therapeutics**: fulgent-therapeutics.com/testing/tests-offered/sudden-death-syndrome-ngs-panel
- **GeneDx**: www.genedx.com
- **InVitae**: www.invitae.com
- **Partners Laboratory for Molecular Medicine**: personalizedmedicine.partners.org/Laboratory-For-Molecular-Medicine
- **Prevention Genetics**: www.preventiongenetics.com

*The field of genetic testing is rapidly expanding and this list may not be comprehensive. For the most up to date list of labs offering cardiovascular testing or any other testing please visit [www.genetests.org](http://www.genetests.org) or [www.ncbi.nlm.nih.gov/gtr/](http://www.ncbi.nlm.nih.gov/gtr/) and search on a disease to find out which labs offer testing.*

**DNA Banking**

- GeneTests keeps an up to date list of current facilities providing DNA banking to access this list go to: https://www.genetests.org/tests/mtb.php
Resources

Patient Resources:

- CARE: www.longqt.org
- Children's Cardiomyopathy Foundation: www.childrenscardiomyopathy.org
- Heart Hope Foundation: hearthopefoundation.org
- Hypertrophic Cardiomyopathy Association (HCMA): www.HCMA.org
- Parent Heart Watch: www.parentheartwatch.org
- Sudden Arrhythmia Death Syndromes (SADS) Foundation: www.sads.org

Centers of Excellence:

- Familial Hypercholesterolemia: http://thefhfoundation.org/find-fh-specialist/
- The Marfan Foundation: www.marfan.org/resource/fact-sheet/directory-medical-institutions-clinic-directory-.U6syQJRdV1Y

NSGC does not endorse any of these particular resources. We will do our best to offer a comprehensive list of resources. There may be additional organizations that provide patient resources and maintain lists of centers of excellence.
