

Already registered?

To sign up for Hands-On Training labs if you are already registered:

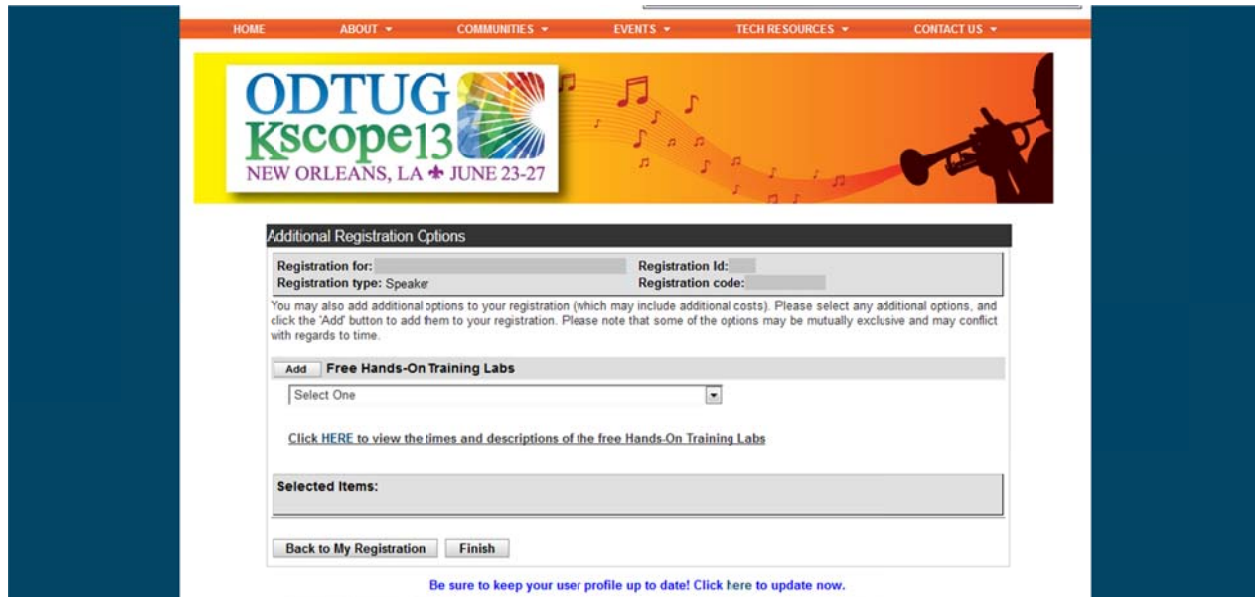

Log into your registration and click **“View Your Registration Details”**.

The screenshot shows the ODTUG website's registration page for Kscope13. At the top, there is a navigation bar with the ODTUG logo on the left and a search bar on the right. Below the navigation bar is a banner for ODTUG Kscope13, New Orleans, LA, June 23-27. The main content area contains a message: "You must be a member of ODTUG to register for Kscope. Sign in below to get started. Not an ODTUG member? An Associate membership is FREE and an Individual membership is only \$99/year. Individual members receive a \$150 discount off their conference registration. Click here to join now!". Below this message are two columns of registration options. The left column, titled "BEGIN REGISTRATION", includes "Registered!" (with a "Registered!" icon and a link to "details"), and "Register Someone Else" (with a "Register Someone Else" icon and a link to "details"). The right column, titled "ALREADY REGISTERED", includes "View Your Registration Details" (with a "View Your Registration Details" icon and a link to "details"), and "View Registration using Registration Login" (with a "View Registration using Registration Login" icon and a link to "details"). At the bottom of the page, there is a link: "Be sure to keep your user profile up to date! Click here to update now."

Click the **“My Options”** tab then **“Add Additional Options”**.

The screenshot shows the ODTUG website's registration page for Kscope13, specifically the "My Options" tab. The navigation bar at the top is the same as in the previous screenshot. Below the banner, there is a tabbed interface with tabs for "Summary", "Details", "My Presentations", "My Options", and "Event Updates". The "My Options" tab is currently selected. Below the tabs is a button labeled "Add Additional Options". Below the button, there is a message: "I registered for Kscope13 tweet this!" with a "tweet this!" icon. At the bottom of the page, there is a link: "Be sure to keep your user profile up to date! Click here to update now."

You will now see the available labs and be able to add them to your registration. Once you are done, click **“Finish”** to save your selected labs.

The screenshot shows a web page for the ODTUG Kscope13 event in New Orleans, LA, from June 23-27. The page has a navigation bar with links for HOME, ABOUT, COMMUNITIES, EVENTS, TECH RESOURCES, and CONTACT US. Below the navigation is a banner with the event logo and a trumpet silhouette. The main content area is titled "Additional Registration Options" and contains a registration form. The form includes fields for "Registration for:" (Speaker), "Registration type:" (Speaker), "Registration Id:", and "Registration code:". A note explains that additional options can be added to the registration. Below this is a section for "Free Hands-On Training Labs" with a dropdown menu set to "Select One" and a link to view the times and descriptions. At the bottom of the form are "Back to My Registration" and "Finish" buttons. A footer note encourages users to keep their profile up to date.
