SUNDAY, MAY 31, 2020

7:30 AM - 9:15 AM
Highlights of the Day Session: Highlights of the Day I
Track(s): Special Sessions

7:30 AM - 9:30 AM
Education Session: Training Program Directors' Breakfast (Training Program Directors and Associate Training Program Directors Only)
Track(s): Professional Development and Education Advances

8:00 AM - 9:00 AM
Interactive Case-Based Session: Controversies in Managing Borderline and Resectable Pancreatic Cancer
Track(s): Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary

8:00 AM - 9:15 AM
Education Session: Integrating Genetic and Genomic Testing Into Oncology Practice
Track(s): Cancer Prevention, Risk Reduction, and Genetics; Care Delivery and Regulatory Policy

Education Session: Molecular Enrichment Strategies in Genitourinary Cancer: What's In, What's Out
Track(s): Genitourinary Cancer—Kidney and Bladder; Genitourinary Cancer—Prostate, Testicular, and Penile, Immunotherapy, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

Education Session: Stratified Guideline-Based Cancer Care Should Be a Priority: Examples of Success
Track(s): Global Health; Value, Health Services Research and Quality Improvement, Disparities/Health Equity

Education Session: Making Sense of Maintenance in Ovarian Cancer: Harping on PARP
Track(s): Gynecologic Cancer; Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

Education Session: The Changing Landscape of Treatment in Acute Myeloid Leukemia
Track(s): Hematologic Malignancies

Ticketed Session: Clinical Controversies: Challenging Testicular Cancer Management Scenarios at Two Ends of the Treatment Spectrum
Track(s): Genitourinary Cancer—Prostate, Testicular, and Penile; Clinical Trials, Symptoms and Survivorship

8:00 AM - 9:30 AM
Poster Discussion Session: Symptoms and Survivorship
Track(s): Symptoms and Survivorship
8:00 AM - 11:00 AM
Oral Abstract Session: Breast Cancer—Local/Regional/Adjuvant
Track(s): Breast Cancer—Local/Regional/Adjuvant

Oral Abstract Session: Care Delivery and Regulatory Policy
Track(s): Care Delivery and Regulatory Policy

Oral Abstract Session: Lung Cancer—Non-Small Cell Local-Regional/Small Cell/Other Thoracic Cancers
Track(s): Lung Cancer—Non-Small Cell Local-Regional/Small Cell/Other Thoracic Cancers

Oral Abstract Session: Melanoma/Skin Cancers
Track(s): Melanoma/Skin Cancers

Oral Abstract Session: Pediatric Oncology II
Track(s): Pediatric Oncology

Poster Session: Central Nervous System Tumors
Track(s): Central Nervous System Tumors

Poster Session: Developmental Therapeutics—Immunotherapy
Track(s): Developmental Therapeutics—Immunotherapy

Poster Session: Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology
Track(s): Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

Poster Session: Sarcoma
Track(s): Sarcoma

9:45 AM - 10:30 AM
Award Lecture: ASCO/American Cancer Society Award and Lecture
Track(s): Cancer Prevention, Risk Reduction, and Genetics

9:45 AM - 10:45 AM
Interactive Case-Based Session: Colorectal Cancer With Peritoneal Carcinomatosis: More Than Meets the Eye
Track(s): Gastrointestinal Cancer—Colorectal and Anal

Interactive Case-Based Session: How to Choose a Frontline Regimen for Advanced-Stage Hodgkin Lymphoma
Track(s): Hematologic Malignancies

Interactive Case-Based Session: Tackle Demoralization at Your Institution: Building and Implementing Wellness Programs for the Cancer Organization
Track(s): Professional Development and Education Advances; Care Delivery and Regulatory Policy, Ethics
9:45 AM - 11:00 AM
Education Session: When Personalized Medicine Fails: Understanding Resistance to Targeted Therapy in Gastrointestinal Cancers

Track(s): Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary; Gastrointestinal Cancer—Colorectal and Anal, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

Education Session: The Globalization of Geriatric Oncology: From Data to Practice
Track(s): Geriatric Oncology; Care Delivery and Regulatory Policy, Disparities/Health Equity, Global Health

Ticketed Session: Meet the Professors: Novel and Emerging Therapies in Head and Neck Cancer
Track(s): Head and Neck Cancer; Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology, Developmental Therapeutics—Immunotherapy, Clinical Trials

9:45 AM - 11:15 AM
Clinical Science Symposium: Special Clinical Science Symposium #2
Track(s): Special Sessions

9:45 AM - 12:45 PM
Oral Abstract Session: Gynecologic Cancer
Track(s): Gynecologic Cancer

11:30 AM - 12:30 PM
Interactive Case-Based Session: Cancer Predisposition: Identification and Management in the Era of Genomic Testing
Track(s): Pediatric Oncology; Ethics, Cancer Prevention, Risk Reduction, and Genetics

11:30 AM - 12:45 PM
Education Session: Dismantling Gender Disparities in the Global Oncology Workforce Together
Track(s): Professional Development

Education Session: Real-World Evidence, Novel Endpoints, and Rare Diseases: Drug Development in the Targeted Therapy Era
Track(s): Care Delivery and Regulatory Policy

Education Session: Rise of the Combinations in Targeted Therapies
Track(s): Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology; Developmental Therapeutics—Immunotherapy, Breast Cancer
11:30 AM - 12:45 PM, continued

Education Session: Cancer Center Advertising: Informing Patients or Creating Unrealistic Expectations?
Track(s): Health Services Research and Quality Improvement; Care Delivery and Regulatory Policy, Ethics

Education Session: Newly Diagnosed Myeloma in 2020
Track(s): Hematologic Malignancies

Education Session: Clinical Controversy in Stage III Lung Cancer: T Cells With Beam or Knife?
Track(s): Lung Cancer

Ticketed Session: Fireside Chat: Long-term Survivors of Metastatic Breast Cancer—Navigating the Knowns and Unknowns With Your Patients
Track(s): Breast Cancer; Symptoms and Survivorship

Ticketed Session: Meet the Professors: Moving Beyond Routine Assessment of Older Adults With Cancer—Biomarkers or Geriatric Assessment
Track(s): Geriatric Oncology; Symptoms and Survivorship, Care Delivery and Regulatory Policy, Health Services Research and Quality Improvement, Value

11:30 AM - 1:00 PM

Poster Discussion Session: Central Nervous System Tumors
Track(s): Central Nervous System Tumors

Poster Discussion Session: Developmental Therapeutics—Immunotherapy
Track(s): Developmental Therapeutics—Immunotherapy

Poster Discussion Session: Sarcoma
Track(s): Sarcoma

1:00 PM - 4:00 PM

Plenary Session
Track(s): Special Sessions

4:00 PM - 4:45 PM

Plenary Session: Post-Plenary Discussion #1
Track(s): Special Sessions

4:15 PM - 5:00 PM

Plenary Session: Post-Plenary Discussion #2
Track(s): Special Sessions
PRELIMINARY PROGRAM BY DAY

4:30 PM - 5:30 PM
Interactive Case-Based Session: Help Needed! Tough Melanoma Cases
Track(s): Melanoma/Skin Cancers; Symptoms and Survivorship, Immunotherapy

Interactive Case-Based Session: Management and Function in Patients With Osseous Metastases
Track(s): Symptoms and Survivorship; Lung Cancer, Genitourinary Cancer—Prostate, Testicular, and Penile, Hematologic Malignancies, Breast Cancer

4:30 PM - 5:45 PM
Education Session: The Evolution of Clinical Trials in Metastatic Breast Cancer: Design Features and Endpoints That Matter to Patients and Regulators
Track(s): Breast Cancer

Education Session: Gray Areas in the Gray Matter: Low-Grade Glioma
Track(s): Central Nervous System Tumors; Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

Education Session: Colorectal Cancer in Young Adults: A Distinct Entity
Track(s): Gastrointestinal Cancer—Colorectal and Anal; Symptoms and Survivorship, Pediatric Oncology

Education Session: Which Specialty Should Take the Lead in Hepatocellular Carcinoma With Macrovascular Involvement?
Track(s): Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary

Education Session: Optimizing Cure of High-Risk Clinically Localized Prostate Cancer
Track(s): Genitourinary Cancer—Prostate, Testicular, and Penile; Symptoms and Survivorship, Clinical Trials

Education Session: Cutting to the Front of the Line: Immunotherapy for Childhood Acute Lymphoblastic Leukemia
Track(s): Pediatric Oncology; Clinical Trials, Hematologic Malignancies, Immunotherapy

Education Session: ASCO/European CanCer Organisation (ECCO) Joint Session
Track(s): Special Sessions; Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology, Clinical Trials, Sarcoma

Ticketed Session: Fireside Chat: Reflections on a Career in Geriatric Oncology
Track(s): Symptoms and Survivorship; Geriatric Oncology

Ticketed Session: Meet the Professors: Tackling T-Cell Lymphomas
Track(s): Hematologic Malignancies
4:30 PM - 6:00 PM
Poster Discussion Session: Developmental Therapeutics—Molecularily Targeted Agents and Tumor Biology
Track(s): Developmental Therapeutics—Molecularily Targeted Agents and Tumor Biology

5:00 PM - 5:45 PM
Plenary Session: Post-Plenary Discussion #3
Track(s): Special Sessions

5:15 PM - 6:00 PM
Plenary Session: Post-Plenary Discussion #4
Track(s): Special Sessions
