

**HOTEL RESERVATION AND EARLY REGISTRATION DEADLINE**  
January 12, 2022, at 11:59 PM (ET)

# World-Class Science, Patient-Centered Care

**February 17–19, 2022**

**Moscone West | San Francisco, CA | Online**

**#GU22**

# WORLD-CLASS SCIENCE, PATIENT- CENTERED CARE

Enhance your daily practice through discussions with expert faculty who place science into clinical context and the patient at the forefront of decision-making.

## NETWORKING

Come together with the GU cancer community in San Francisco for an enhanced in-person experience — face-to-face networking, discussion, and collaboration with the specialists, experts, and thought leaders inspiring practice-changing GU cancer care.

---

**Join thought leaders  
from around the world  
to revitalize the way GU  
oncology is practiced.**

---

“

*I am so excited for the 2022 ASCO Genitourinary Cancers Symposium! From world-class science to patient-centered care, this meeting serves as the premier global event for those specializing in GU cancers.*

*The agenda will highlight novel scientific and clinical findings that are high-impact and lead to practice-changing care. With a focus on diversity, global perspectives, enhanced interactivity, multidisciplinary and evidence-based care, this is a ‘must attend’ event. Come inspire and be inspired!*

”

**Jason A. Efstathiou, MD, DPhil,  
FASTRO, FACRO**

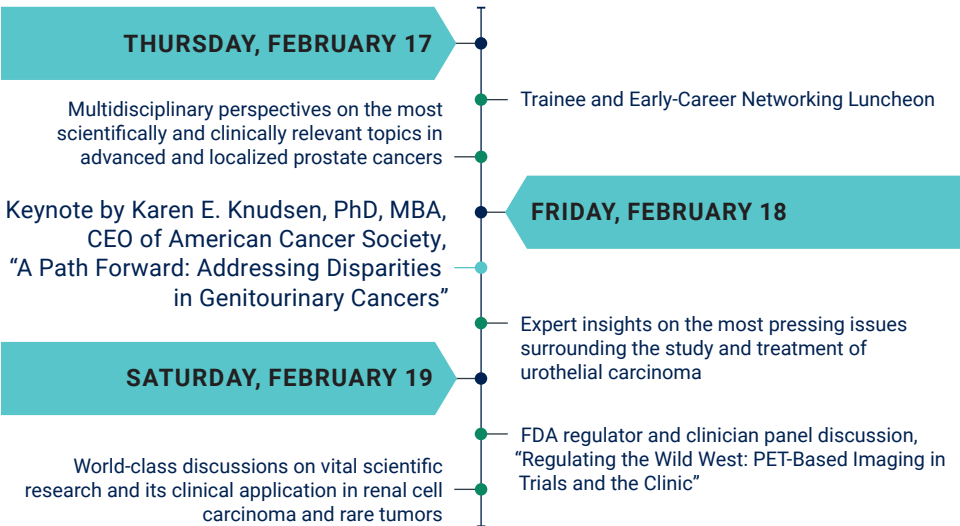

Chair, 2022 ASCO GU Cancers Symposium  
Massachusetts General Hospital

# HEALTH AND SAFETY

All in-person attendees at the ASCO Genitourinary Cancers Symposium must be fully vaccinated against COVID-19 by the time of the Symposium. Proof of vaccination is required; ASCO will notify registered attendees prior to the Symposium of the accepted method(s) of vaccination validation. If you cannot or choose not to comply with ASCO's health and safety protocols, or if you are unable to come to San Francisco, please join us online for livestreamed sessions, Q&A, and other interactive features. For more information, please visit our Health and Safety page at [gu.asco.org](https://gu.asco.org).

## PROGRAM HIGHLIGHTS

**Disease-specific science sessions including Oral Abstract Sessions, Rapid Abstract Sessions, and Poster Walk Sessions.**

## Exhibits and Industry Expert Theater

Explore the exhibits and participate in Industry Expert Theater sessions to learn about the latest drug developments, discover advanced technology, and connect with industry leaders.

# FEATURED SESSIONS

From world-class science to patient-centered care, the 2022 ASCO GU Cancers Symposium offers new, innovative findings in the study, diagnosis, and treatment of GU malignancies.

## Novel Treatment Implementation: Prostate-Specific Membrane Antigen Targeting and Beyond:

**Himisha Beltran, MD**  
Dana-Farber Cancer  
Institute

**Shahneen K. Sandhu, MD**  
Peter MacCallum Cancer Center

**Johannes Czernin, MD**  
University of California,  
Los Angeles

**Kosj Yamoah, MD, PhD**  
H. Lee Moffitt Cancer Center and  
Research Institute

**Tanya B. Dorff, MD**  
City of Hope

## Demystifying Next-Gen Sequencing in Urothelial Carcinoma: A Case-Based Approach:

**Peter C. Black, MD**  
University of British  
Columbia

**David T. Miyamoto, MD, PhD**  
Massachusetts General Hospital,  
Harvard Medical School

**Bishoy M. Faltas, MD**  
Weill Cornell Medicine

**Ludmila Prokunina-Olsson, PhD**  
National Cancer Institute

**Donna E. Hansel, MD, PhD**  
Oregon Health and  
Science University

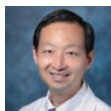

**David B. Solit, MD**  
Memorial Sloan Kettering Cancer  
Center

## Emerging Biomarkers and Therapies in Renal Cell Carcinoma:

**Michael Dean, PhD**  
National Cancer Institute

**Hyung L. Kim, MD**  
Cedars-Sinai Medical Center

**Pooja Ghatalia, MD**  
Fox Chase Cancer Center

**Jaime R. Merchan, MD, MMedSc**  
University of Miami Miller School of  
Medicine, Sylvester Comprehensive  
Cancer Center

**Naomi B. Haas, MD**  
Abramson Cancer  
Center, University of  
Pennsylvania

**Ulka N. Vaishampayan, MD**  
University of Michigan Cancer Center
