Friday, May 31, 2024

1:00 PM - 1:45 PM

Education Session: Navigating ASCO 2024: Tips to Master Your Meeting Experience
Track(s): Medical Education and Professional Development

1:00 PM - 2:00 PM

Education Session [Livestream]: ASCO Voices
Track(s): Special Sessions

1:00 PM - 2:15 PM

Education Session: Advancements in Breast Cancer Care: Current State of the Art and Future Directions for Locoregional Therapy
Track(s): Breast Cancer

Education Session: Driving Change in Care Delivery and Patient Outcomes: Leveraging Federal, State, and Grassroots Advocacy in the United States
Track(s): Care Delivery and Quality Care, Medical Education and Professional Development

Education Session [Livestream]: State-of-the-Art Advancements on Adjuvant Cancer Vaccines and Biomarkers
Track(s): Developmental Therapeutics—Immunotherapy, Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary, Melanoma/Skin Cancers, Immunotherapy

Education Session: Advancements in Urothelial Cancer Care: Optimizing Treatment for Your Patient
Track(s): Genitourinary Cancer—Kidney and Bladder

Education Session: Germline Predisposition in Hematologic Malignancies: Testing, Management, and Implications
Track(s): Hematologic Malignancies, Prevention, Risk Reduction, and Genetics, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

Education Session [Livestream]: Immunotherapy in Sarcoma: Realities and Aspirations
Track(s): Sarcoma, Immunotherapy, Pediatric Oncology, Clinical Trials

1:00 PM - 2:30 PM

Education Session [Livestream]: New Drugs in Oncology: Incorporation Into Practice
Track(s): Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology, Geriatric Oncology
1:00 PM - 5:00 PM

**Workshop:** In-Person Workshop: Genomics 101 for Oncologists *Sign-up Required*
**Track(s):** Prevention, Risk Reduction, and Genetics

2:45 PM - 3:45 PM

**Case-Based Panel:** Multicancer Detection: Is It Ready for Prime Time?
**Track(s):** Prevention, Risk Reduction, and Genetics

2:45 PM - 4:00 PM

**Education Session:** Patient-Centered Care and Advances in the Treatment of Testis and Penile Cancer
**Track(s):** Genitourinary Cancer—Prostate, Testicular, and Penile, Survivorship

**Education Session:** Integrating Patient-Reported Outcomes and Tolerability Assessment
**Track(s):** Symptom Science and Palliative Care, Care Delivery and Quality Care, Clinical Trials

2:45 PM - 4:15 PM

**Rapid Oral Abstract Sessions:**
Breast Cancer—Local/Regional/Adjuvant
Sarcoma

2:45 PM - 5:45 PM

**Oral Abstract Sessions [Livestream]:**
Quality Care/Health Services Research
Hematologic Malignancies—Leukemia, Myelodysplastic Syndromes, and Allotransplant
Lung Cancer—Non-Small Cell Metastatic
Melanoma/Skin Cancers

4:30 PM - 5:30 PM

**Case-Based Panel:** Optimizing Immune Checkpoint Blockade: Tailoring the Dose for Personalized Results
**Track(s):** Developmental Therapeutics—Immunotherapy, Immunotherapy, Clinical Trials, Care Delivery and Quality Care

4:30 PM - 5:45 PM

**Education Session:** Advancing Prostate Cancer Care: Treatment Approaches to Precision Medicine, Biomarker Innovations, and Equitable Access
**Track(s):** Genitourinary Cancer—Prostate, Testicular, and Penile, Disparities/Health Equity

**Education Session:** Contemporary Approach to Malignant Peripheral Nerve Sheath Tumors
**Track(s):** Sarcoma, Central Nervous System Tumors, Clinical Trials, Pediatric Oncology

---

**Saturday, June 1, 2024**
7:30 AM - 9:30 AM

**Education Session:** Oncology Division Chiefs and Department Chairs' Breakfast
**Track(s):** Medical Education and Professional Development

8:00 AM - 9:00 AM

**Case-Based Panel:** Heart of the Matter: Cardio-Oncology Evidence-Based Guidance to Improve Patient Outcomes
**Track(s):** Care Delivery and Quality Care, Symptom Science and Palliative Care

**Case-Based Panel [Livestream]:** Navigating Melanoma Management From Early Stages to Post-Adjuvant Therapy
**Track(s):** Melanoma/Skin Cancers

8:00 AM - 9:15 AM

**Education Session:** Enhancing Early-Stage Breast Cancer Survivorship: Evidence-Based Strategies, Surveillance Testing, and Imaging Guidelines
**Track(s):** Breast Cancer, Survivorship

**Education Session [Livestream]:** Evolving Treatment Options for Patients with Pancreas Cancer
**Track(s):** Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary, Geriatric Oncology

**Education Session [Livestream]:** New Frontiers in Lung Cancer Treatment: Expanding Options Beyond Chemoimmunotherapy
**Track(s):** Lung Cancer, Immunotherapy

8:00 AM - 9:30 AM

**Rapid Oral Abstract Sessions:**
[Livestream] Genitourinary Cancer—Kidney and Bladder
Gynecologic Cancer
Hematologic Malignancies—Leukemia, Myelodysplastic Syndromes, and Allotransplant Prevention, Risk Reduction, and Genetics

8:00 AM - 9:30 AM

**Clinical Science Symposium [Livestream]:** Special Clinical Science Symposium #1
**Track(s):** Special Sessions

9:00 AM - 12:00 PM

**Poster Sessions:**
Care Delivery/Models of Care
Central Nervous System Tumors
Developmental Therapeutics—Immunotherapy
Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology
12:30 PM - 1:30 PM

**Education Session** [Livestream]: ASCO Plenary Series: Rapid Abstract Updates
**Track(s):** Special Sessions

**Education Session** [Livestream]: ASCO/NCI Session
**Track(s):** Special Sessions

1:15 PM - 2:15 PM

**Case-Based Panel:** Follicular Lymphoma: A Case-Based Exploration of Treatment Choices and Management
**Track(s):** Hematologic Malignancies

1:15 PM - 2:30 PM

**Education Session:** Tackling the Tough Stuff: Managing Challenging Symptoms and Patient Conversations Around Goals of Care
**Track(s):** Breast Cancer, Symptom Science and Palliative Care

**Education Session** [Livestream]: Unlocking the Potential: Biomarkers of Response to Antibody-Drug Conjugates
**Track(s):** Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology, Clinical Trials, Developmental Therapeutics—Immunotherapy

**Education Session** [Livestream]: State-of-the-Art Diagnostic and Therapeutic Strategies in Renal Cell Carcinoma: Current Advances and Future Frontiers
**Track(s):** Genitourinary Cancer—Kidney and Bladder, Symptom Science and Palliative Care, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology, Immunotherapy

**Education Session:** Hematopoietic Stem Cell Transplantation: Exploring the Latest Advances
**Track(s):** Hematologic Malignancies, Symptom Science and Palliative Care, Disparities/Health Equity

**Education Session:** Exploring Novel Therapeutic Approaches to Cancer Prevention: Vaccines and Beyond
**Track(s):** Prevention, Risk Reduction, and Genetics, Global Health

1:15 PM - 2:45 PM

**Clinical Science Symposia:**
[Livestream] Geriatric Oncology
Gynecologic Cancer
[Livestream] Lung Cancer
[Livestream] Medical Education and Professional Development

1:30 PM - 4:30 PM

All sessions listed in Central Time (Chicago, IL)
May 31 – June 4, 2024 • #ASC024 • conferences.asco.org/am/program
Poster Sessions:
Gastrointestinal Cancer—Colorectal and Anal
Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary
Melanoma/Skin Cancers
Pediatric Oncology
Sarcoma

2:00 PM - 2:45 PM

**Award Lecture** [Livestream]: Science of Oncology Award and Lecture
**Track(s):** Special Sessions

3:00 PM - 4:15 PM

**Education Session:** ASCO Around the World: The Impact of Quality Programs on Patient Care
**Track(s):** Care Delivery and Quality Care, Global Health

**Education Session:** Advanced Lung Cancer: State-of-the-Art Approaches and Insights
**Track(s):** Lung Cancer

**Education Session:** Harnessing the Power of Social Media: Elevating Global Oncology Practice, Research, and Education
**Track(s):** Medical Education and Professional Development, Care Delivery and Quality Care, Global Health

3:00 PM - 4:30 PM

**Clinical Science Symposium:** Central Nervous System Tumors

3:00 PM - 6:00 PM

**Oral Abstract Sessions** [Livestream]:
Breast Cancer—Metastatic
Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology
Genitourinary Cancer—Prostate, Testicular, and Penile
Hematologic Malignancies—Lymphoma and Chronic Lymphocytic Leukemia
Prevention, Risk Reduction, and Genetics,

4:30 PM - 6:00 PM

**Rapid Oral Abstract Session:** Lung Cancer—Non-Small Cell Metastatic

4:45 PM - 6:00 PM

**Education Session:** Navigating the Complexities of Brain Metastases Management
**Track(s):** Central Nervous System Tumors, Melanoma/Skin Cancers, Symptom Science and Palliative Care, Immunotherapy

4:45 PM - 6:00 PM (Continued)
Education Session [Livestream]: State of the Art in Metastatic Colorectal Cancer: Treatment Advances and Innovation

Track(s): Gastrointestinal Cancer—Colorectal and Anal, Symptom Science and Palliative Care, Developmental Therapeutics—Immunotherapy, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

Education Session: Breaking the Mold: Trailblazing Melanoma Therapy Beyond Checkpoint Through Innovative Approaches

Track(s): Melanoma/Skin Cancers, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology, Developmental Therapeutics—Immunotherapy

Education Session: Leveraging Patient Engagement for Improved Global Health Outcomes in Sarcoma

Track(s): Sarcoma, Global Health, Care Delivery and Quality Care
Sunday, June 2, 2024

7:30 AM - 9:30 AM

**Education Session:** Training Program Directors’ Breakfast  
**Track(s):** Medical Education and Professional Development

8:00 AM - 9:00 AM

**Case-Based Panel [Livestream]:** Advanced Prostate Cancer: A Case-Based Approach to Sequencing and Symptom Management  
**Track(s):** Genitourinary Cancer—Prostate, Testicular, and Penile, Symptom Science and Palliative Care

8:00 AM - 9:15 AM

**Education Session:** Let’s Have the Conversation: Scaling Serious Illness Communication in Routine Oncology Care  
**Track(s):** Care Delivery and Quality Care, Symptom Science and Palliative Care, Medical Education and Professional Development

**Education Session:** Navigating High-Risk and Ultra-High-Risk Multiple Myeloma: Challenges and Emerging Strategies  
**Track(s):** Hematologic Malignancies, Clinical Trials

**Education Session:** New Treatment Options for Patients With Oncogene-Addicted Non-Small Cell Lung Cancer  
**Track(s):** Lung Cancer

**Education Session:** Transforming Tobacco Control: Navigating Health Risks, Harm Reduction, and Global Policies  
**Track(s):** Prevention, Risk Reduction, and Genetics

8:00 AM - 11:00 AM

**Oral Abstract Sessions [Livestream]:**  
Gastrointestinal Cancer—Colorectal and Anal  
Gynecologic Cancer  
Pediatric Oncology I  
Symptom Science and Palliative Care

8:15 AM - 9:30 AM

**Highlights of the Day Session [Livestream]:** Highlights of the Day I  
**Track(s):** Special Sessions
9:00 AM - 12:00 PM

**Poster Sessions:**
- Breast Cancer—Local/Regional/Adjuvant
- Breast Cancer—Metastatic
- Genitourinary Cancer—Kidney and Bladder
- Genitourinary Cancer—Prostate, Testicular, and Penile
- Head and Neck Cancer

9:45 AM - 11:00 AM

**Education Session:** Advancements and Challenges in the Treatment of Acute Myeloid Leukemia (AML)
**Track(s):** Hematologic Malignancies, Geriatric Oncology

**Education Session [Livestream]:** Integrating Immunotherapy Into Early-Stage Lung Cancer
**Track(s):** Lung Cancer, Clinical Trials, Immunotherapy

**Education Session:** Enacting Diversity Models in the Oncology Workforce
**Track(s):** Medical Education and Professional Development, Global Health

**Education Session:** Finding Inspiration in Your Oncology Career
**Track(s):** Medical Education and Professional Development

**Education Session:** Exploring the Spectrum of Inherited Cancer Susceptibility: Genetics, Risk Factors, and Prevention Strategies
**Track(s):** Prevention, Risk Reduction, and Genetics, Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary, Care Delivery and Quality Care, Gynecologic Cancer, Breast Cancer

**Education Session:** ASCO/AACR Joint Session
**Track(s):** Special Sessions

9:45 AM - 11:15 AM

**Clinical Science Symposium [Livestream]:** Special Clinical Science Symposium #2
**Track(s):** Special Sessions

11:30 AM - 12:30 PM

**Case-Based Panel I:** Optimizing the Sequence of Therapy in High-Risk Endometrial Cancer
**Track(s):** Gynecologic Cancer, Clinical Trials

**Case-Based Panel [Livestream]:** Optimizing Treatment of Locally Advanced Non–Small Cell Lung Cancer: A Multimodal Approach in the Immunotherapy Era
**Track(s):** Lung Cancer, Immunotherapy
11:30 AM - 12:45 PM

**Education Session [Livestream]:** Evolving Standards of Care in the Management of Localized Colorectal Cancer  
**Track(s):** Gastrointestinal Cancer—Colorectal and Anal, Survivorship, Symptom Science and Palliative Care, Care Delivery and Quality Care

**Education Session [Livestream]:** Charting the Course: Sequencing Immunotherapy for Myeloma  
**Track(s):** Hematologic Malignancies, Immunotherapy

**Education Session:** TP53 Mutations in Acute Leukemia and Myelodysplastic Syndrome: Insights and Treatment Updates  
**Track(s):** Hematologic Malignancies

**Education Session [Livestream]:** When Bad News Comes Through the Portal: Strengthening Trust and Guiding Patients When They Receive Bad Results Before Their Clinicians Do  
**Track(s):** Medical Education and Professional Development, Care Delivery and Quality Care

**Education Session:** Beyond the Tip of the Iceberg: Next-Generation Cell-Based Therapies  
**Track(s):** Melanoma/Skin Cancers, Developmental Therapeutics—Immunotherapy

**Education Session:** Navigating Treatment Options and Communication in Relapsed Pediatric Acute Myeloid Leukemia  
**Track(s):** Pediatric Oncology, Symptom Science and Palliative Care, Hematologic Malignancies

11:30 AM - 1:00 PM

**Clinical Science Symposium [Livestream]:** Global Oncology  
**Track(s):** Care Delivery and Quality Care

11:30 AM - 1:00 PM

**Rapid Oral Abstract Sessions:**  
Central Nervous System Tumors  
Developmental Therapeutics—Immunotherapy

11:30 AM - 1:00 PM

**Clinical Science Symposium:** Sarcoma

1:00 PM - 4:00 PM

**Plenary Session [Livestream]  
Track(s):** Special Sessions
4:30 PM - 5:30 PM

**Case-Based Panel:** Striving for Comfort and Cure: Comprehensive Treatment of Patients With Brain Tumors  
**Track(s):** Central Nervous System Tumors, Symptom Science and Palliative Care, Care Delivery and Quality Care

**Case-Based Panel:** Harness Artificial Intelligence to Enhance Patient-Physician Relationships  
**Track(s):** Medical Education and Professional Development

4:30 PM - 5:45 PM

**Education Session [Livestream]:** Balancing Hormone Therapy: Minimizing Effects of Androgen Deprivation Therapy and Exploring Alternatives in Prostate Cancer Management  
**Track(s):** Genitourinary Cancer—Prostate, Testicular, and Penile, Symptom Science and Palliative Care, Survivorship

**Education Session:** Exploring the Uncommon: What’s New in Rare Gynecologic Cancers?  
**Track(s):** Gynecologic Cancer, Melanoma/Skin Cancers

**Education Session [Livestream]:** Evolving Approaches in Head and Neck Squamous Cell Carcinoma: State-of-the-Art Updates for Enhanced Therapeutic Outcomes  
**Track(s):** Head and Neck Cancer, Care Delivery and Quality Care, Symptom Science and Palliative Care

**Education Session [Livestream]:** Daring to Cure: Advances in Melanoma at Every Stage  
**Track(s):** Melanoma/Skin Cancers, Geriatric Oncology, Survivorship

**Education Session [Livestream]:** Fostering Equitable Supportive Care for Black Patients, Older Adults, and Patients with Prognostic Uncertainty  
**Track(s):** Symptom Science and Palliative Care, Survivorship, Geriatric Oncology, Disparities/Health Equity

4:30 PM - 6:00 PM

**Clinical Science Symposia:**  
[Livestream] Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary  
[Livestream] The Dr. Bernard Fisher Memorial Annual Clinical Science Symposium Supported by the Breast Cancer Research Foundation

**Rapid Oral Abstract Sessions:**  
Hematologic Malignancies—Lymphoma and Chronic Lymphocytic Leukemia  
Lung Cancer—Non-Small Cell Local-Regional/Small Cell/Other Thoracic Cancers  
Pediatric Oncology
Monday, June 3, 2024

8:00 AM - 9:15 AM

**Education Session** [Livestream]: Systemic Therapy in Breast Cancer: Current State of the Art and Future Horizons  
*Track(s):* Breast Cancer, Clinical Trials

**Education Session**: Incorporating Molecular Data Into Treatment Decision-Making in Upper Gastrointestinal and Hepatobiliary Cancers: Timing and Strategies  
*Track(s):* Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

**Education Session** [Livestream]: How to Optimize and Tailor Therapy to Improve Outcomes in Older Patients With Hematologic Malignancies  
*Track(s):* Hematologic Malignancies, Geriatric Oncology, Disparities/Health Equity, Care Delivery and Quality Care

**Education Session**: Rethinking Oncofertility: Empowering Education and Advocacy in Cancer Care  
*Track(s):* Medical Education and Professional Development, Gynecologic Cancer, Prevention, Risk Reduction, and Genetics, Pediatric Oncology

**Education Session**: The Promise and Perils of Precision Oncology in Pediatric Sarcomas  
*Track(s):* Pediatric Oncology, Sarcoma, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

**Education Session**: ASCO/ECO Joint Session  
*Track(s):* Special Sessions

**Education Session**: Evidence-Based Integrative Oncology: Guideline Insights for Comprehensive Care  
*Track(s):* Symptom Science and Palliative Care, Survivorship, Care Delivery and Quality Care

8:00 AM - 9:30 AM

**Rapid Oral Abstract Sessions**:  
Care Delivery/Models of Care  
Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology  
Head and Neck Cancer

8:00 AM - 11:00 AM

**Oral Abstract Sessions** [Livestream]:  
Central Nervous System Tumors  
Genitourinary Cancer—Kidney and Bladder  
Lung Cancer—Non-Small Cell Local-Regional/Small Cell/Other Thoracic Cancers

8:00 AM - 12:00 PM
Workshop: In-Person VitalTalk Workshop: Navigating Communication with Seriously Ill Patients
[Sign-up Required]
Track(s): Special Sessions, Symptom Science and Palliative Care

8:15 AM - 9:30 AM

Highlights of the Day Session [Livestream]: Highlights of the Day II
Track(s): Special Sessions

9:00 AM - 12:00 PM

Poster Sessions:
- Quality Care/Health Services Research
- Gynecologic Cancer
- Hematologic Malignancies—Leukemia, Myelodysplastic Syndromes, and Allotransplant
- Hematologic Malignancies—Lymphoma and Chronic Lymphocytic Leukemia
- Hematologic Malignancies—Plasma Cell Dyscrasia

9:45 AM - 10:45 AM

Case-Based Panel: Cutaneous Squamous Cell Carcinoma in the Head and Neck: A Multidisciplinary Case-Based Approach to Treatment
Track(s): Head and Neck Cancer, Melanoma/Skin Cancers

9:45 AM - 11:00 AM

Education Session [Livestream]: Should I Order the Test? Expanding the Array of Emerging Diagnostics in Breast Cancer
Track(s): Breast Cancer

Education Session: Amplifying the Patient's Voice in Early-Phase Immunotherapy Clinical Trials: Solutions to Burdens and Barriers
Track(s): Developmental Therapeutics—Immunotherapy, Immunotherapy, Disparities/Health Equity, Clinical Trials

Education Session: Pediatric Hodgkin Lymphoma Treatment: Paving the Way for a Standard of Care and Shared Decision-Making
Track(s): Pediatric Oncology, Global Health, Hematologic Malignancies

Education Session [Livestream]: ASCO/FDA Session: Prevention of Cancer Drug Shortages
Track(s): Special Sessions

9:45 AM - 11:15 AM

Rapid Oral Abstract Sessions:
- Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary
- Medical Education and Professional Development
- Melanoma/Skin Cancers
- Symptom Science and Palliative Care

9:45 AM - 11:15 AM (Continued)
Clinical Science Symposium [Livestream]: Special Clinical Science Symposium #3
Track(s): Special Sessions

11:30 AM - 12:30 PM

Case-Based Panel: Navigating Therapeutic Dilemmas in Advanced Hepatocellular Carcinoma: Cases and Considerations
Track(s): Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary, Symptom Science and Palliative Care, Immunotherapy

Case-Based Panel: Addressing Substance Use Disorders in the Context of Cancer: A Case-Based Discussion on Assessment and Management
Track(s): Symptom Science and Palliative Care, Survivorship, Care Delivery and Quality Care

11:30 AM - 12:45 PM

Education Session [Livestream]: Improving Global Access to Cancer Therapies Through Regulatory Authority Collaboration
Track(s): Care Delivery and Quality Care, Global Health

Education Session [Livestream]: State of the Art in Low-Grade Glioma Management: Insights From Isocitrate Dehydrogenase and Beyond
Track(s): Central Nervous System Tumors, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

Education Session [Livestream]: Applications of Artificial Intelligence in Prostate Cancer Care: A Path to Enhanced Efficiency and Outcomes
Track(s): Genitourinary Cancer—Prostate, Testicular, and Penile, Care Delivery and Quality Care, Disparities/Health Equity

Education Session: Integrating Palliative Care and Hematologic Malignancies: Bridging the Gap for Our Patients
Track(s): Hematologic Malignancies, Symptom Science and Palliative Care, Care Delivery and Quality Care

Education Session [Livestream]: Treating Lung Cancer in Young Adults: Considerations and Outcomes
Track(s): Lung Cancer, Survivorship

11:30 AM - 1:00 PM

Rapid Oral Abstract Session [Livestream]: Breast Cancer—Metastatic

11:30 AM - 2:30 PM

Oral Abstract Sessions:
[Livestream] Developmental Therapeutics—Immunotherapy
Pediatric Oncology II

12:00 PM - 1:00 PM
Annual Business Meeting: ASCO Annual Business Meeting (ASCO Members Only)
Track(s): Special Sessions

1:15 PM - 2:15 PM

Case-Based Panel [Livestream]: Navigating Complex Patient Scenarios: The Seasoned Clinician's Toolbox
Track(s): Breast Cancer, Value

Case-Based Panel: Leiomyosarcoma: A Patient-Centered Approach to a Complex Journey
Track(s): Sarcoma, Care Delivery and Quality Care, Symptom Science and Palliative Care

1:15 PM - 2:30 PM

Education Session: Brain Metastases Management: Weighing the Options—Radiation Versus Systemic Therapy
Track(s): Central Nervous System Tumors

Education Session [Livestream]: Global Access to Supportive Care for Upper Gastrointestinal and Hepatobiliary Malignancies: Overcoming Challenges and Exploring Opportunities
Track(s): Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary, Symptom Science and Palliative Care, Global Health

Education Session [Livestream]: State of the Art in Gynecologic Cancer: New Drugs and Companion Diagnostics
Track(s): Gynecologic Cancer, Immunotherapy

Education Session: Paradigm Shifts in Hodgkin Lymphoma Treatment: From Frontline Therapies to Relapsed Disease
Track(s): Hematologic Malignancies, Disparities/Health Equity

1:15 PM - 2:45 PM

Rapid Oral Abstract Sessions:
Quality Care/Health Services Research
[Livestream] Gastrointestinal Cancer—Colorectal and Anal
[Livestream] Genitourinary Cancer—Prostate, Testicular, and Penile

1:30 PM - 4:30 PM

Poster Sessions:
Lung Cancer—Non-Small Cell Local-Regional/Small Cell/Other Thoracic Cancers
Lung Cancer—Non-Small Cell Metastatic
Medical Education and Professional Development
Prevention, Risk Reduction, and Genetics
Symptom Science and Palliative Care

3:00 PM - 4:00 PM
Case-Based Panel [Livestream]: Beyond Tumor Types: Advancing Tumor-Agnostic Drug Development and the Role of the Tumor Microenvironment  
Track(s): Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology, Immunotherapy, Developmental Therapeutics—Immunotherapy  

Case-Based Panel [Livestream]: Multidisciplinary Approach to Navigating Early-Stage Rectal Cancer  
Track(s): Gastrointestinal Cancer—Colorectal and Anal, Survivorship, Symptom Science and Palliative Care  

Case-Based Panel: Transplant in Neuroblastoma: When Do We Go Off-Script?  
Track(s): Pediatric Oncology  

3:00 PM - 4:15 PM  
Education Session: Shaping the Future of Cancer Care: Diverse Perspectives on Emerging Health Policies  
Track(s): Care Delivery and Quality Care, Disparities/Health Equity  
Education Session: Belzutifan as a Model for Drug Development in Rare Genitourinary Tumors  
Track(s): Genitourinary Cancer—Kidney and Bladder, Prevention, Risk Reduction, and Genetics, Symptom Science and Palliative Care, Value, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology  
Education Session: Controversies in the Surgical Management of Gynecologic Cancer: Balancing the Decision to Operate or Hesitate  
Track(s): Gynecologic Cancer, Survivorship  
Education Session: Advancing Equity in Global Cancer Outcomes: Strategies for Diverse Population Screening and Early Detection  
Track(s): Prevention, Risk Reduction, and Genetics, Global Health  

3:00 PM - 4:30 PM  
Clinical Science Symposium: Head and Neck Cancer  

3:00 PM - 6:00 PM  
Oral Abstract Sessions [Livestream]:  
Breast Cancer—Local/Regional/Adjuvant  
Hematologic Malignancies—Plasma Cell Dyscrasia  
Sarcoma  

4:30 PM - 6:00 PM  
Clinical Science Symposia [Livestream]:  
Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology  
Symptom Science and Palliative Care  

4:45 PM - 5:45 PM  

All sessions listed in Central Time (Chicago, IL)  
May 31 – June 4, 2024 • #ASCO24 • conferences.asco.org/am/program
Case-Based Panel [Livestream]: A Multidisciplinary Approach to Managing the Toxicities Associated With Renal Cell Carcinoma Therapy
Track(s): Genitourinary Cancer—Kidney and Bladder, Survivorship, Care Delivery and Quality Care, Symptom Science and Palliative Care

4:45 PM - 6:00 PM

Education Session: Thinking Outside the Box: Management of Limited Metastatic Colorectal Cancer
Track(s): Gastrointestinal Cancer—Colorectal and Anal,

Education Session: Survivorship in Advanced Lung Cancer: Understanding a New Landscape and Opportunities
Track(s): Lung Cancer, Survivorship
Tuesday, June 4, 2024

8:00 AM - 9:15 AM

**Education Session [Livestream]:** Revolutionizing Rural Oncology: Innovative Models and Global Perspectives

**Track(s):** Care Delivery and Quality Care, Global Health, Disparities/Health Equity

**Education Session:** State-of-the-Art Advancements in Gastroesophageal Cancer Treatment: Harnessing Biomarkers for Precision Care

**Track(s):** Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

**Education Session [Livestream]:** Breaking Ground in Recurrent or Metastatic Head and Neck Squamous Cell Carcinoma: Novel Therapies Beyond PD-L1 Immunotherapy

**Track(s):** Head and Neck Cancer, Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

**Education Session:** Optimizing Bispecific Therapy Use in Lymphoma and Multiple Myeloma

**Track(s):** Hematologic Malignancies, Symptom Science and Palliative Care, Immunotherapy

**Highlights of the Day Session [Livestream]:** Highlights of the Day III

**Track(s):** Special Sessions

8:00 AM - 9:30 AM

**Clinical Science Symposium:** Developmental Therapeutics—Immunotherapy

9:45 AM - 11:00 AM

**Education Session:** The State of DNA Repair Targeting: Current Advances and Future Prospects

**Track(s):** Developmental Therapeutics—Molecularly Targeted Agents and Tumor Biology

9:45 AM - 11:15 AM

**Rapid Oral Abstract Session:** Hematologic Malignancies—Plasma Cell Dyscrasia

9:45 AM - 12:45 PM

**Oral Abstract Sessions [Livestream]:**

Care Delivery/Models of Care

Gastrointestinal Cancer—Gastroesophageal, Pancreatic, and Hepatobiliary

Head and Neck Cancer
