

February 29–March 1, 2016  
Henry B. Gonzalez Convention Center  
San Antonio, Texas

## Why Attend EXECUforum?

EXECUforum is the ideal place to grow relationships with fellow leaders both for your organization's executives and client executives. Join the discussion, collaborate on opportunities for shared learning and engage in solutions-based reviews on current business challenges with like-minded peers.

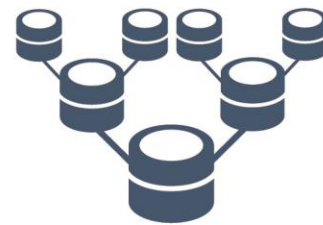

### 2016 Themes

Big Data/Analytics

Mobile/Security

Mainframe Skills Gap

### Net Valuable Results by...

- >> Having more meaningful conversations with business leaders
- >> Solving critical business challenges
- >> Networking with IBM executives as well as executives from other companies

Visit [www.SHARE.org/EXECUforum2016](http://www.SHARE.org/EXECUforum2016) for more information.

## Exclusive Offer: Two for the Price of One

With the purchase of a 2016 SHARE EXECUforum registration, bring a fellow executive to SHARE EXECUforum at no additional cost!

#### Who qualifies for complimentary registration?

Any professional colleague from within your organization or from a client organization who has significant accountability for setting the strategic direction for the enterprise and/or the enterprise infrastructure budget can receive this offer. Among peers, this individual should be considered an active leader within his/her organization.
