

SHARE VIRTUAL SUMMIT SPEAKER INFORMATION

GENERAL SESSION INFORMATION

General Session Information

- 1 Zoom webinar room per topic per day
 - Daily Zoom links will be posted in the “Today’s Sessions” section of the Attendee Portal each morning
 - Each room will be a Zoom webinar
 - Attendees are muted throughout and will use the Q&A to ask questions
- Speakers & attendees join the Zoom room through the daily Zoom link
 - SHARE staff will give you speaker rights in Zoom for your presentation
 - Attendees can stay in the room between sessions

ACCESSING YOUR LIVE BROADCAST

Access your Live Broadcast

- Go to event.share.org
- Log in to your share.org profile
 - This is different from your Speaker Gateway login credentials
- Click the **Attendee Portal** from the top navigation
- Use the Zoom link provided in the “Today’s Sessions” section to join your session’s zoom webinar room
 - The webinar room will be open all day with the same link for attendees and speakers to come and go
 - SHARE staff will give you speaker rights prior to your session, and then back to an attendee once your session is done

Access your Live Broadcast

LIVE SESSION WITH PRE-RECORDED CONTENT

Live Broadcast: Pre-recorded Content

- Join your webinar room
 - If the session is still being presented, SHARE staff will give you speaker rights as soon as that session has ended
 - Use the chat to ask questions to the SHARE staff
 - SHARE staff will also test your audio prior to the start of the session for the live Q&A following the video
 - SHARE staff will start your recording video at the start of your session time
 - At the end of the video, unmute yourself for Q&A
 - Please read the questions before responding

Live Broadcast: Pre-recorded Content

Attendees will submit questions through the Q&A zoom function

- Q&A
 - SHARE staff will continue to share their screen on the last frame of the video for the Q&A
 - **Recommendation: Use the evaluation slide as your final slide**
 - Unmute yourself on the Zoom control panel to read questions aloud and then answer
- SHARE Staff will conclude the session with closing remarks and make you an attendee if you stay in the room for the next session(s)
 - **Sessions must finish on time**

LIVE SESSION WITH LIVE PRESENTATION

Live Broadcast – Live Presentation

- Join your webinar room
- If the session prior is still going, SHARE staff give you speaker rights as soon as that session has ended
 - Once you are a speaker, unmute yourself, open your presentation and share your screen
 - SHARE staff will be available to answer any questions and test your audio before your session

Live Broadcast – Live Presentation

- Q&A
 - Attendees are muted throughout the presentation and will submit questions to the Q&A
 - Remember to read questions aloud before answering
- SHARE staff will conclude the session with closing remarks and make you an attendee if you stay in the room for the next session(s)
 - **Sessions must finish on time**
