Siemon’s Cable Tray Rack

Designed to mount directly to overhead ladder rack or cable tray, Siemon’s Cable Tray Rack delivers 4U of easily installed and accessible 19” rack mount space above cabinets and racks without consuming additional floor space, making it ideal for use as a Zone Distribution Area (ZDA) or Equipment Distribution Area (EDA) in data centers. Used with copper patch panels or fiber enclosures, the cable tray rack can increase cabling density, improve cable routing, simplify moves, adds and changes and provide pre-cabled connectivity for rapid deployment of new cabinets, racks and equipment.

Floor Space Maximization – Provides up to 6U of standard 19” rack mount space above cabinets and racks to maximize cabling density/minimize data center floor space needs.

Flexible Cable Routing – High capacity ¼-turn twist-lock cable managers lock into place quickly without use of screws or mounting tools and can be easily located to provide customized cable management.

Flexible Mounting – Unique design can be mounted below, flush or above cable tray in both parallel and perpendicular configurations.

Improved Thermal Efficiency – Helps improve airflow by managing patching fields and cabling above cabinets and racks, minimizing obstruction of equipment cooling features.

Rapid Data Center Deployment – Can be used in conjunction with Siemon’s pre-terminated copper and fiber solutions to reduce installation time.

Open Compatibility – Rack mount solution attaches to all common overhead cable tray and ladder rack systems, including Siemon’s RouteIT system.

Major Product Features:
- CEA-310-E compliant mounting holes
- Robust 12 gauge steel construction
- Smooth black powder coat finish
- Mounting hardware and cable management included
- 60 lb load rating
- UL Listed
ORDERING INFORMATION

CTR-02-01 CABLE TRAY RACK, 2U, BLACK, #12-24. Includes mounting hardware, (2) 1/4 turn cable managers, ground lug
CTR-04-01 CABLE TRAY RACK, 4U, BLACK, #12-24. Includes mounting hardware, (4) 1/4 turn cable managers, ground lug
CTR-06-01 CABLE TRAY RACK, 6U, BLACK, #12-24. Includes mounting hardware, (6) 1/4 turn cable managers, ground lug

*Add “C” to end of part number for cage nut version (includes 4 M6 cage nuts per U space)

CTR-LRK LADDER RACK MOUNTING KIT FOR CABLE TRAY RACK

Mounting Examples:

Perpendicular to Tray (Below)
Parallel to Tray (Flush)
Parallel to Ladder Rack (Below)
